5. EMPLOYEES
In accordance with the requirements of the Companies Act 1967, it is placed on record that one employee received emoluments, excluding pension contributions, between £10,000 and £12,500. No director received any remuneration from the company during the year.

6 ACCOUNTING POLICY—DEPRECIATION

(a) Plant, Fixtures, Fittings and Motor Vehicles.
Depreciation has been provided at fixed rates so as to write off the various assets over the period of their expected useful lives.

(b) Freehold Land.
No depreciation has been provided.

(c) Freehold Buildings.
Depreciation has been provided at a rate of 10% per annum on cost up to 31st May 1974.
No Depreciation has been provided in the current year. If Depreciation had been provided on a comparable basis to that of previous accounting periods then the results would have shown a deficiency for the year of £64,585 as compared with the results of £4,327 (Loss)

REPORT OF THE DIRECTORS

The Balance Sheet as at 31st May 1975, and the Profit & Loss Account for the year ended 31st May 1975, together with the Notes and "Information Regarding Directors", all of which are printed herein, should be read as forming part of this Report.

The principal activities of the Company continue to be those of a professional football club. The Board wishes to acknowledge donations (including fund raising schemes) of £38,298, which have been brought into the Profit & Loss Account. Transfer fees payable exceeded transfer fees receivable by £49,075. After the resulting loss of £4,327, the revenue deficiency of £306,271 brought forward from previous years, is increased, therefore, to £310,598 which is carried forward. No dividend is recommended on either class of Shares. The dividends on the Preference Shares being more than three years in arrears, the holders have the right to attend and vote at General Meetings. There is a capital reserve of £124,012 (resulting from a revaluation of the property in 1965). The state of affairs of the Company is reasonably satisfactory.

The Company is a Close Company under the provisions of the Income and Corporation Taxes Act 1970.

The Fixed Assets are as set out in the Notes to the Balance Sheet. The two grandstands and the administrative block are included at cost less an adequate provision for depreciation, and other freehold property is at the professional valuation made in 1965 plus net additions and improvements since that date at cost. In common with other football clubs, in view of the specialised nature and use of the assets, the Directors are unable to comment further on the present-day values.

Our congratulations go to the four players who achieved International honours during the season. Mr. G. H. Jago resigned early in the season and Mr. D. J. Sexton was appointed to fill the vacancy and we wish him a long, happy and successful career with us. We are grateful to the Manager and the players, coaching, training and ground staff, who gave their best endeavours to the Club. The Board also desires to express its appreciation to the Secretary and his staff, and to thank the Vice-Presidents, Patrons, Medical Advisors, Members of the Supporters Club, all our helpers and followers and those who support and assist the various fund-raising schemes.

Mr. J. A. Gregory retires from the Board by rotation and will be proposed for re-election.

In accordance with the Companies Act 1948, Messrs. Allfields, Chartered Accountants, will continue in office.

ON BEHALF OF THE BOARD,

J. A. GREGORY,
Chairman.
