STRATEGIC REPORT
FOR THE YEAR ENDED 30 JUNE 2025

Principal activities

The company's principal activities relate to the operation of a professional football club, competing in the English Football League (EFL); the operation of a category one football academy; the hosting of conferencing and events; an online club specific TV channel, 'Rams TV'; and commercial activities relating to sponsorship and advertising.

Business review

The company was incorporated on 23 June 2022 and is a wholly owned subsidiary of Clowes Developments (UK) Limited, a company based in Ashbourne, Derbyshire, specialising in the acquisition of land, buildings and property in order to achieve development sales.

On 1 July 2022 the company purchased the trade and assets and certain liabilities as prescribed by EFL regulations, of SEVCO 5112 Limited (in Administration), The Derby County Football Club Limited (in Administration), Derby County FC Academy Limited (in Administration), Club DCFC Limited (in Administration) and Stadia DCFC Limited (in Administration), collectively "the group (in Administration)".

The purchase was funded by Clowes Developments (UK) Limited who also acquired the club's stadium, Pride Park Stadium, as a separate transaction through its acquisition of Gellaw 202 Limited. As a major investor and property owner in the East Midlands, Clowes Developments (UK) Limited considered that the potential liquidation of the local city football club was not in the best interests of the company or those of the city of Derby itself. Clowes Developments (UK) Limited considered it had a corporate social responsibility to the local economy of Derby and could not stand by and let the football club fail.

The key message from the opening statement issued on behalf of David Clowes when Clowes Developments (UK) Limited purchased the club in 2022 was that around three key pillars: Stability, Integrity and Progress and these remain at the forefront of the club's direction and strategy.

In May 2025 Clowes Developments (UK) Limited took the decision that Derby County Football Club and Pride Park Stadium were to be unified once again within a new holding company.

While the club and stadium have both been owned by Clowes Developments (UK) Limited, since the summer of 2022, they have been held in separate legal entities, the club within this company, (Derby County (The Rams) Limited), and Pride Park Stadium in Gellaw Newco 202 Limited.

On 14 May 2025 the stadium company Gellaw Newco 202 Limited was re-named Derby County (The Rams) Stadium Limited and sits alongside this company (Derby County (The Rams) Limited) within the group structure and both companies are now 100% owned by a new holding company, Derby County (The Rams) Holdings Limited.

Derby County (The Rams) Holdings Limited is 100% owned by Clowes Developments (UK) Limited (the ultimate parent undertaking) and although there is no change of ownership, the move reflects a desire to allay concerns from supporters regarding the separation of club and stadium (see note 24).

For the 2026 year end Derby County (The Rams) Holdings Limited will now be the reporting entity to the Financial Reporting Unit of the English Football League.

David Clowes said at the time, "Having secured our goal of maintaining our Championship status after promotion from League One, we felt it was the right time to make this change."

In strict accordance with club regulations, the changes were discussed fully with the Supporters' Board.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Business review (continued)

Financial review

The company generated revenue of £31.9m *(2024: £19.4m)*,which was predominantly driven by increased league and broadcasting income of £12m *(2024: £2.9m)*. Ticketing, hospitality and sponsorship income increased by 24% compared to prior year to £18.3m *(2024: £14.8m)*. Ticketing revenue was significantly bolstered by the club's strong average home attendance of 29,018, which was in the top 4 of the EFL Championship. A season high of 32,471 on the final day of the EFL Championship against Stoke City saw the Rams secure Championship league status for the 25/26 campaign.

The company generated an operating loss of £11.1m *(2024: £14.2m)* which included profits on disposal of player registrations and associated costs, primarily relating to compensation payments and contingent transfer receipts of £10.3m *(2024: £4.6m)*.

At the Balance Sheet date, the company had net liabilities of £44.9m *(2024: £33.6m)*. The movement on net liabilities is predominantly related to amounts owed to Clowes Developments (UK) Limited in relation to owner funding injections for the day to day running of the club.

The loss for the year was £11.3m *(2024: £14.1m)*.

Football review

The 2024/25 season was one of growth and transition, with the appointment of former Derby County player John Eustace as Head Coach inspiring a run of form that saw the club retain its EFL Championship status on the final day of the campaign.

Eustace signed a three-and-a-half year contract in February 2025 to return to Pride Park Stadium and replace Paul Warne, who departed with the thanks, gratitude and best wishes of everyone at the club.

The team were bottom of the table and seven points adrift of safety with 11 games to play, but six wins and three draws from those games saw the club jump five places to finish 19th and secure another season in the second tier.

A total of 18 new players were recruited permanently and on loan throughout the campaign, as the club continued to reshape the Men's First Team squad following promotion back to the Championship in April 2024.

The club recruited senior internationals in the form of Sweden's Jacob Widell Zetterström and Norway's Sondre Langås, while Derby County Academy graduate Eiran Cashin joined Premier League side Brighton and Hove Albion for a significant undisclosed fee.

Ebou Adams' form during his first full season at Pride Park was rewarded with the Jack Stamps Player of the Season and Men's Players' Player of the Season awards.

Homegrown midfielder Liam Thompson was named as Sammy Crooks Young Player of the Season, while on-loan striker Jerry Yates was the club's top goal scorer with 10 league goals.

Derby County Women marked their second season as a fully integrated part of the club, following on from the successful 2023/24 campaign, when they won the FA Women's National League Plate.

With their own base at the Moor Farm Training Centre and access to all facilities, the Women's First Team squad won six of their 22 games to finish ninth in the FA Women's National League Northern Premier Division, while the club continue to develop local footballers through the Female Talent Pathway.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Principal risks and uncertainties

Due to the principal activities of the company, the revenues of the business are susceptible to the on-pitch performance of the football team. This is mitigated by maintaining top class training facilities, in order to attract the best talent, having competitive wage budgets and operating a category one academy to ensure there is an appropriate player pathway to the first team and to build value for the future.

The company's credit risk is relatively low and is primarily attributable to its trade debtors. Credit risk is managed by running credit checks on new customers and by monitoring payments against contractual agreements.

The company is financed by cash injections and the revenue that is raised through its business activities. The objective is to ensure a mix of funding methods offering flexibility and cost effectiveness to match the needs of the company; however the directors note that such dependency on parent company support is critical to remaining a going concern.

Other key performance indicators

Key performance indicators	**2025**	*2024*
League	**EFL Championship**	*EFL League One*
League finishing position	**19th**	*2nd*
Average league attendance	**29,018**	*27,278*
Number of season tickets sold	**22,009**	*20,880*
Ticketing, hospitality and sponsorship revenues	**£18,287,080**	*£14,820,712*
Operating loss	**£11,066,653**	*£14,171,963*

The club's Profit and Sustainability position is shown below. It is noted that the average 3-year loss is £4.6 million and totals £13.8 million over the reporting period. The EFL compliance threshold was a £13 million per annum average loss and £39 million over a 3-year period. The club therefore had headroom of £25.3 million. All the results in relation to Profit and Sustainability below have been reviewed and confirmed by the English Football League's Club Financial Reporting Unit.

	22/23 £'000	**23/24 £'000**	**24/25 £'000**

Sustainability

Derby County Football Club together with its affiliated charity, Derby County Community Trust, play a vital role within the local community. We recognise the impact that all aspects of the Club have on the environment. Derby County is committed to protecting the environment from our work activities which is demonstrated by our commitment to the implementation of actions aligned to the English Football League's Green Clubs Scheme.

Over the past year we have been awarded the English Football League Green Clubs Bronze Status. As a club we undertook a number of key measures to show our progress such as; we made a club commitment to ESG through a board approved statement which is shared publicly via our website, ensured compliance across the business with all environmental legislation, Installed additional solar panels at Moor Farm as well as 2 EV chargers for staff usage, re-commissioned the bio-mass boilers at both the stadium and training ground and onboarded the new legislation relating to simpler recycling across both sites.

Over the coming year we have set clear performance indicators for ESG, complete a lifecycle analysis across both our sites, look at the rewilding of our training ground, review our electricity, gas and water consumptions, continue to review our waste management with clear focus on food waste, look at our suppliers and how we procure across the business and develop new ways for staff and supporter engagement on ESG.

This report was approved by the board and signed on its behalf.

DIRECTORS' REPORT
FOR THE YEAR ENDED 30 JUNE 2025

The directors present their report and the financial statements for the year ended 30 June 2025.

Results and dividends

The loss for the year, after taxation, amounted to £11,289,823 *(2024: loss £14,114,874)*.

The directors did not recommend the payment of dividends in the year *(2024: £Nil)*.

Directors

The directors who served during the year, and up to the date of signing this report, were:

D C Clowes
R M Tavernor

Directors' Responsibilities Statement

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Qualifying third party indemnity provisions

The company maintains indemnity insurance for directors.

Political contributions

All fundraising events are dealt with by the Derby County Community Trust which is a charity registered with the Charity Commission. There were no political contributions during the period.

Overseas branches

The company has no overseas branches.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Future developments

The company is a wholly owned subsidiary of Clowes Developments (UK) Limited. A description of future developments is included within the group financial statements of Clowes Developments (UK) Limited.

Financial risk management

The financial risk management objectives and policies of the group are fully described in the group financial statements of Clowes Developments (UK) Limited.

Employees

The company has in place policies and practices to keep employees informed on matters relevant to them as employees through regular meetings and memoranda.

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled every effort is made to ensure that their employment with the company continues, and that appropriate training and workplace adjustments are arranged.

The company actively encourages the promotion of safe working conditions and continues to develop policies and procedures to secure and enhance the health and welfare of all employees.

Going concern

The preparation of the financial statements requires the directors to make a number of estimates, including an assessment of the appropriateness of the going concern basis of preparation of the financial statements. This is set out more fully in note 2.2.

Matters covered in the Strategic Report

As permitted under s414C(11) of the Companies Act 2006, the directors have included information in the Strategic Report that otherwise would be required under s416(4) to be disclosed in the Directors' Report, including information in respect of principal risks and uncertainties.

Subsequent events

See note 23.

Disclosure of information to auditor

The directors confirm that:

- so far as each director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

The auditor, Grant Thornton UK LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DERBY COUNTY (THE RAMS) LIMITED

Opinion

We have audited the financial statements of Derby County (The Rams) Limited (the 'company') for the year ended 30 June 2025, which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion:

- the financial statements give a true and fair view of the state of the company's affairs as at 30 June 2025 and of its loss for the year then ended;
- the financial statements have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the company to cease to continue as a going concern.

In our evaluation of the directors' conclusions, we considered the inherent risks associated with the company's business model including effects arising from macro-economic uncertainties such as the cost of living crisis, we assessed and challenged the reasonableness of estimates made by the directors and the related disclosures and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Conclusions relating to going concern (continued)

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. The directors are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Matter on which we are required to report under the Companies Act 2006

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting frameworks (FRS 102 and Companies Act 2006) and the relevant tax compliance regulations in the jurisdictions in which the company operates.
- We enquired of management concerning the company's policies and procedures relating to:
  - the identification, evaluation and compliance with laws and regulations;
  - the detection and response to the risks of fraud; and
  - the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.
- We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.
- We corroborated the results of our enquires to relevant supporting documentation.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur and the risk of management override of controls. Audit procedures performed by the engagement team included:
  - evaluation of the programmes and controls established to address the risks related to irregularities and fraud;
  - testing manual journal entries, in particular journal entries relating to management estimates and entries determined to be large or relating to unusual transactions; and
  - identifying and testing related party transactions.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error and detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

Auditor's responsibilities for the audit of the financial statements (continued)

- The engagement leads assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's:
  - understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation;
  - knowledge of the industry in which the client operates;
  - understanding of the legal and regulatory requirements specific to the entity/regulated entity including;
    - the provisions of the applicable legislation;
    - the regulators rules and related guidance, including guidance issued by relevant authorities that interprets those rules; and
    - the applicable statutory provisions.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

1. General information

Derby County (The Rams) Limited is a private company limited by shares, incorporated in England and Wales. Its registered number is 14190771, and its registered head office is located at Ednaston Park Painters Lane, Ednaston, Ashbourne, England, DE6 3FA.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The company's functional and presentation currency is Sterling and all values are rounded to the nearest pound (£) except when otherwise stated.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Going concern

The financial statements, which show net current liabilities, have been prepared on the going concern basis, which assumes that the company will continue in operational existence for the foreseeable future.

The directors have prepared cashflow projections for the period to 31 October 2026 (a period of at least 12 months from the date of approval of these financial statements). These projections are prepared using worse case assumptions as regards to future expected revenues and divisional status of the football club. These forecasts indicate that additional working capital financing is required to enable the company to fund its business plan and to meet its liabilities as they fall due. The directors have obtained written confirmation from its ultimate parent undertaking, Clowes Developments (UK) Limited, of their intention to provide such financial support as is required by the company for its continued operation and have satisfied themselves that sufficient funds are available to provide such support.

Given the financial projections and the support provided by the ultimate parent company, the directors consider it appropriate to prepare the financial statements on the going concern basis.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

2. Accounting policies (continued)

2.3 Turnover

Turnover represents income receivable, net of discounts and VAT, and excluding transfer fees receivable in respect of the disposal of players' registrations, arising in the normal course of the company's business.

Ticketing revenue is recognised over the period of the football season as games are played.

Sponsorship, hospitality and similar commercial income, including royalties, are recognised over the duration of their respective contracts.

The fixed element of broadcasting revenue is recognised in proportion to the number of league games played, whilst the non-fixed element of TV receipts received for live coverage or highlights are taken when earned at the point of broadcast.

Fees received in respect of loan players are included against wage costs within direct costs.

Income from ticketing, sponsorship, and commercial contracts which have been received prior to the year end in respect of future football seasons is treated as deferred income.

2.4 Operating leases: the company as lessee

Rentals paid under operating leases are charged to profit or loss on a straight-line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight-line basis over the lease term, unless another systematic basis is representative of the time pattern of the lessee's benefit from the use of the leased asset.

2.5 Grant income

Grants are accounted under the accruals model as permitted by FRS 102. Grants relating to expenditure on tangible fixed assets are credited to profit or toss at the same rate as the depreciation on the assets to which the grant relates. The deferred element of grants is included in creditors as deferred income.

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure.

2.6 Pensions

Defined contribution pension plan

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the company in independently administered funds.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

2. Accounting policies (continued)

2.7 Finance costs

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.8 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance Sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

2. Accounting policies (continued)

2.9 Intangible assets

Player registrations, compensation payments and levies and associated costs

The costs associated with the acquisition of players' registrations and compensation payments are capitalised as an intangible asset at the date of acquisition and are amortised over the period of the respective contract, including extensions there to.

Where a contract is renegotiated, the unamortised costs, together with the new costs relating to the contract extension, are amortised over the term of the new contract.

Under the conditions of certain transfer agreements, further fees may become payable in the event of players or the company achieving specified outcomes. Costs are capitalised where the directors consider the payment of such fees to be probable. Future fees, where payment, is not probable are considered to be contingent liabilities.

Internally generated intangible assets are held at Nil value. Any external costs incurred in extensions to a player's original contract are capitalised and amortised over the period of the player's extended contract.

The profit or loss arising out of the disposal of players' registrations and compensation payments represent the difference between the consideration receivable, net of any transaction costs, and the unamortised cost of the intangible asset.

Computer software

Computer software is stated at historical cost less accumulated amortisation and any accumulated impairment losses.

Amortisation is provided on a straight line basis at 25% to 33% per annum.

Trademarks

Trademarks are stated at historical cost less accumulated amortisation and any accumulated impairment losses.

Amortisation is provided on a straight line basis at 10% per annum.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

2. Accounting policies (continued)

2.10 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Leasehold improvements	- 2% to 10%
Fixtures and fittings	- 10% to 25%
Equipment and machinery	- 10% to 20%
Computer hardware	- 25%

Depreciation is not charged on assets under construction.

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

2.11 Impairment of intangible and tangible assets

At each Balance Sheet date, the company reviews the carrying amounts of its tangible and intangible assets as included in cash generating units to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. The recoverable amount is the higher of fair value less costs to sell and the value in use. Any impairment loss is recognised immediately as an expense.

2.12 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

2. Accounting policies (continued)

2.13 Provisions for liabilities

Provisions are recognised when an event has taken place that gives rise to a legal or constructive obligation, a transfer of economic benefits is probable and a reliable estimate can be made.

Provisions are measured as the best estimate of the amount required to settle the obligation, taking into account the related risks and uncertainties.

Increases in provisions are generally charged as an expense to profit or loss.

2.14 Financial instruments

Basic financial assets

Basic financial assets, which include trade and other debtors, cash and bank balances, are initially measured at their transaction price including transaction costs and are subsequently carried at their amortised cost using the effective interest method, less any provision for impairment, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Discounting is omitted where the effect of discounting is immaterial. The company's cash and cash equivalents, trade and most other debtors due within the operating cycle fall into this category of financial instruments.

Financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after the deduction of all its liabilities.

Basic financial liabilities, which include trade and other creditors, bank loans and other loans are initially measured at their transaction price after transaction costs. When this constitutes a financing transaction, whereby the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Discounting is omitted where the effect of discounting is immaterial.

Debt instruments are subsequently carried at their amortised cost using the effective interest rate method.

Trade creditors are obligations to pay for goods and services that have been acquired in the ordinary course of business from suppliers. Trade creditors are classified as current liabilities if the payment is due within one year. If not, they represent non-current liabilities. Trade creditors are initially recognised at their transaction price and subsequently are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Estimates are based on historical experience and other assumptions that are considered reasonable in the circumstances. The actual amount or values may vary in certain instances from the assumptions and estimates made. Changes will be recorded, with corresponding effect in the financial statements, when, and if, better information is obtained.

Critical judgements and sources of estimation uncertainty that management have made in the process of applying accounting policies disclosed herein and that have a significant effect on the amounts recognised in the financial statements relate to the following:

Estimates

(a) Impairment of intangible assets (see note 10)

The company performs an impairment review on intangible assets, including player registrations, if adverse events indicate that the amortised carrying value of the asset may not be recoverable. Whilst no individual player can be separated from the single cash generating unit, being the operations of the company as a whole, there may be certain circumstances where a player is taken out of the cash generating unit, when it becomes clear that they will not play for the club's first team again. For example, where a player sustains a career threatening injury or is permanently removed from the first team squad for another reason. If such circumstances were to arise, the carrying value of the player would be assessed against the company's best estimate of the player's fair value less any costs to sell. No players fall into this category for the current year.

Judgements

In the process of preparing the financial statements, no significant judgements were applied.

4. Turnover

An analysis of turnover by class of business is as follows:

	2025	*2024*
	£	*£*
Ticketing	**9,585,034**	*7,603,814*
Hospitality, events and catering	**6,697,031**	*5,571,645*
Sponsorship	**2,005,015**	*1,645,253*
Other revenue	**1,593,583**	*1,635,156*
League and broadcasting	**11,987,533**	*2,943,664*
	31,868,196	*19,399,532*

All turnover arose within the United Kingdom.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

5. Operating loss

The operating loss is stated after charging/(crediting):

	2025 £	*2024* *£*
Depreciation of tangible fixed assets	**1,652,742**	*1,674,346*
Amortisation of intangible fixed assets	**2,213,695**	*355,205*
Operating lease rentals	**1,600,685**	*1,018,818*
Profit on disposal of players' registrations, levies and associated costs.	**(10,303,542)**	*(4,632,588)*

Profit on disposal of players' registrations, levies and associated costs predominantly relates to the sale of Eiran Cashin, plus sell on receipts received in relation to Liam Delap, Jayden Bogle, Morgan Whittaker, Jason Knight and others.

6. Auditor's remuneration

During the year, the company obtained the following services from the company's auditor:

	2025 £	*2024* *£*
Fees payable to the company's auditor for the audit of the company's financial statements	**68,250**	*65,000*

The company has taken advantage of the exemption not to disclose amounts paid for non-audit services as these are disclosed in the consolidated accounts of the ultimate parent company.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

7. Employees

Staff costs were as follows:

	2025 £	*2024* *£*
Wages and salaries	**27,936,256**	*19,634,487*
Social security costs	**3,382,364**	*2,047,693*
Cost of defined contribution scheme	**215,676**	*298,267*
	31,534,296	*21,980,447*

The directors did not receive any remuneration for their services to the company during the year.

Key management personnel received remuneration of £1,044,859 *(2024: £598,593)* and the company made pension contributions on their behalf of £25,196 *(2024: £26,997)* for the period.

The average monthly number of employees, including the directors, during the year was as follows:

	2025 No.	*2024* *No.*
Playing staff	**72**	*63*
Non-playing staff	**154**	*138*
	226	*201*

8. Interest payable and similar expenses

	2025 £	*2024* *£*
Football League Pension and Life Assurance Scheme interest	**3,235**	*9,097*
Other interest payable	**140**	-
	3,375	*9,097*

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

9. Taxation

	2025 £	*2024* *£*
Total current tax	**-**	*-*
Deferred tax		
Origination and reversal of timing differences	**219,795**	*(66,186)*
Total deferred tax	**219,795**	*(66,186)*
Taxation on loss on ordinary activities	**219,795**	*(66,186)*

Factors affecting tax charge for the year

The tax assessed for the year is higher than *(2024: higher than)* the standard rate of corporation tax in the UK of 25% *(2024: 25%)*. The differences are explained below:

	2025 £	*2024* *£*
Loss on ordinary activities before tax	**(11,070,028)**	*(14,181,060)*
Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 25% *(2024: 25%)*	**(2,767,507)**	*(3,545,265)*
Effects of:		
Fixed asset differences	**290**	*79*
Expenses not deductible for tax purposes	**6,166**	*47,352*
Income not taxable for tax purposes	**(12,474)**	*-*
Other permanent differences	**9,000**	*9,000*
Adjustments to tax charge in respect of prior periods (deferred tax)	**895,888**	*713,751*
Group relief	**2,088,432**	*2,708,897*
Total tax credit for the year	**219,795**	*(66,186)*

Factors that may affect future tax charges

In the Spring Budget 2021, the UK Government announced that from 1 April 2023 the corporation tax rate would increase to 25% (rather than remaining at 19%, as previously enacted). There has been no change to corporation tax rates for the financial year end date. For the current financial year the weighted average tax rate is 25%. Deferred taxes at the Balance Sheet date have been measured using these enacted tax rates and reflected in these financial statements.

Amounts owed to group companies	**63,081,650**	*47,925,687*
	79,496,016	*61,283,334*

Amounts owed to group companies include £63,081,650 owed to Clowes Developments (UK) Limited, the company's ultimate parent, which relates to operational funding provided in the year. It is the intention that some of the amount owed to the ultimate parent company will be capitalised into equity.

Amounts owed to group companies are non-interest bearing, unsecured and repayable on demand.

14. Creditors: amounts falling due after more than one year

	2025 £	*2024* *£*
Player registration and agent fees payable	**3,113,197**	*56,933*
Other creditors	**85,198**	*97,011*
	3,198,395	*153,944*

15. Deferred taxation

	2025 £	*2024* *£*
At beginning of year	**(2,916,078)**	*(2,982,264)*
(Charged)/credited to profit or loss	**(219,795)**	*66,186*
At end of year	**(3,135,873)**	*(2,916,078)*

Deferred tax assets and liabilities have been offset on the premise the company has a legally enforceable right to do so and it intends to realise the asset and liability simultaneously.

The provision for deferred taxation is made up as follows:

	2025 £	*2024* *£*
Fixed asset timing differences	**(3,873,877)**	*(3,827,406)*
Short term timing differences	**44,401**	*14,929*
Losses and other deductions	**693,603**	*896,399*
	(3,135,873)	*(2,916,078)*

16. Analysis of net debt

	At 1 July 2024 £	Cash flows £	At 30 June 2025 £
Cash at bank and in hand	**1,096,012**	**520,491**	**1,616,503**
Debt due within 1 year	**(46,800,686)**	**(16,704,936)**	**(63,505,622)**
	(45,704,674)	**(16,184,445)**	**(61,889,119)**

17. Share capital

	2025 £	*2024 £*
Allotted, called up and fully paid		
500,000 *(2024: 500,000)* Ordinary shares of £1.00 each	**500,000**	*500,000*

There is a single class of ordinary shares. There are no restrictions on dividends and the repayment of capital.

18. Reserves

Profit and loss account

The profit and loss account represents the accumulated profits, losses and distributions of the company.

19. Contingent liabilities

Additional payments amounting to a maximum of £4,040,000 *(2024: £225,000)* will become payable if certain conditions in transfer and players' contracts at 30 June 2025 are fulfilled. Additional signing on fees up to a maximum of £1,042,250 *(2024: £741,000)* will become payable to players subject to the terms and conditions of their contracts being fulfilled.

20. Pension commitments

The company participates in the Football League Pension and Life Assurance Scheme (the 'Scheme'). The Scheme is a funded multi-employer defined benefit scheme, with 92 participating employers, and where members may have periods of service attributable to several participating employers. The company is unable to identify its share of the assets and liabilities of the Scheme and therefore accounts for its contributions as if they were paid to a defined contribution scheme.

The last actuarial valuation was carried out at 31 August 2023 where the total deficit on the on-going valuation basis was £20.6m.

The accrual of the benefits ceased within the Scheme on 31 August 1999, therefore there are no contributions relating to the current accrual. The company pays monthly contributions based on a notional split of the total expenses and deficit contributions of the Scheme. The liability outstanding as at 30 June 2025 was £294,318 *(2024: £362,858)* and contributions during the period amounted to £97,146 *(2024: £118,298)*. As the Scheme is closed to accrual, there are no additional costs associated with the accruing of members' future benefits. In the case of the football club being relegated from the football league, or the company ceasing to trade, and being unable to settle its debt then the remaining clubs may, in exceptional circumstances, have to share the deficit.

The company also operates a stakeholder defined contribution pensions scheme for qualifying employees and directors. The assets of the scheme are administered by an independent pensions provider.

Total pension payments recognised as an expense during the period amounted to £215,676 *(2024: £298,267)*. Pension contributions outstanding as at 30 June 2025 totalled £42,069 *(2024: £60,909)*.

21. Commitments under operating leases

At 30 June 2025 the company had future minimum lease payments due under non-cancellable operating leases for each of the following periods:

	2025 £	*2024* £
Not later than 1 year	**1,610,563**	*1,627,585*
Later than 1 year and not later than 5 years	**6,458,278**	*6,326,003*
Later than 5 years	**18,825,000**	*20,400,000*
	26,893,841	*28,353,588*

22. Related party transactions

The company has taken advantage of the exemption available in FRS102 of disclosing transactions with other companies that are wholly owned within its group.

During the period the company made sales and recharges of £170,719 *(2024: £76,711)* and made rent contributions and received services of £52,075 *(2024: £82,422)* with Derby County Community Trust, a charitable organisation, for which a member of the key management of the company sits on the charity's board. As at 30 June 2025 the company owed Derby County Community Trust £Nil *(2024: £71,505)* and was owed £33,297 *(2024: £28,957)*.

Docusign Envelope ID: 53E1A737-06E5-4FA2-87D9-81C49839FCC7

23. Subsequent events

Subsequent to the year end the company acquired player registrations, inclusive of levies and agent fees, of £10,901,347 *(2024: £2,925,175)* and received £745,417 *(2024: £353,014)* in relation to the fulfilment of contractual conditions for player transfers.

24. Controlling party

The immediate parent undertaking is Derby County (The Rams) Holdings Limited and ultimate parent undertaking is Clowes Developments (UK) Limited by virtue of owning 100% of the issued share capital of Derby County (The Rams) Holdings Limited. The registered office of the immediate and ultimate parent undertaking is Ednaston Park, Painters Lane, Ednaston, Ashbourne, DE6 3FA.

The smallest and largest group of undertakings, of which the company is a member, for which consolidated financial statements are prepared are headed by Clowes Developments (UK) Limited. Copies of the group accounts are publicly available from Companies House.
