REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 30 JUNE 2023

The directors present their report with the financial statements of the company for the year ended 30 June 2023.

EVENTS SINCE THE END OF THE YEAR
Information relating to events since the end of the year is given in the notes to the financial statements.

DIRECTORS
The directors shown below have held office during the whole of the period from 1 July 2022 to the date of this report.

Mr T G Bramall
Mr G Baldwin
Mr D Blunt

STATEMENT OF DIRECTORS' RESPONSIBILITIES
The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS
So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

Mr T G Bramall - Director

23 March 2024

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 23 March 2024 and were signed on its behalf by:

Mr T G Bramall - Director

The notes form part of these financial statements

1. STATUTORY INFORMATION

Doncaster Rovers Limited is a private company, limited by shares , registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements
These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling rounded to the nearest £1, which is the functional currency of the entity.

Going Concern
The accounts have been prepared on the going concern basis.

The directors consider the basis of the preparation to be appropriate based on their continuing financial support of the Club Doncaster Limited and Mr T Bramall.

Key estimates have been made as follows:

Tangible fixed assets
The annual depreciation charge is sensitive to changes in estimated useful economic lives and residual values of the assets. These are reviewed regularly to ensure that appropriate charges are made for depreciation.

Debtors
The Company reviews all overdue trade debtors on an ongoing basis to assess whether any impairment is necessary. Judgement is required in determining whether conditions are present indicating a provision for impairment is necessary. Appropriate impairment is recognised when amounts are identified that require provision or write off.

Amounts owed by/to other group companies
The directors review the recoverability of amounts owed by other group companies with the directors of the relevant companies on a regular basis.

The following principal accounting policies have been applied consistently throughout the period:

Turnover
Turnover represents various income streams associated with operating a professional football club including gate receipts, transfer fees receivable and commercial income.

Transfer and signing on fees
The cost of players' registrations are capitalised and amortised over the period of the respective players' contracts.

Signing on fees are capitalised and amortised in full in the year that they are paid.

2. ACCOUNTING POLICIES - continued

Tangible fixed assets
Tangible fixed assets are stated at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight line or reducing balance method or, if held under a finance lease, over the lease term, whichever is shorter.

Training ground	-Straight line over the life of the lease
Long leasehold	-Straight line over the life of the lease
Plant and machinery	- 10 - 40% on reducing balance/ straight line
Motor vehicles	- 25% on reducing balance
Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 40% on reducing balance

The assets' residual values, useful lives and depreciation methods are reviewed, and adjust prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Income Statement.

Hire purchase and leasing commitments
Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Pension costs and other post-retirement benefits
The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 191 (2022 - 186) .
