The directors present their strategic report for the year ended 30 June 2025.

BUSINESS REVIEW

The key financial and performance indicators for the current and three previous financial years are shown below:

	2025 £ 000	2024 £ 000	2023 £ 000	2022 £ 000
Turnover	8,478	6,977	6,527	5,567
Staff Costs	7,526	6,938	5,931	6,236
Profit/(loss)	(2,881)	(2,981)	(2,636)	(2,052)
Final position (League 1)	11th	7th	11th	17th
Average League Attendance	9,004	8,424	8,486	8,773

Seasons review

The club completed its 6th successive season back in League 1 with another top-half finish albeit four places below last season. A good start to the season positioned the club in the play-off places by mid-November but a subsequent run of one win in ten hampered any play-off aspirations.

A respectable league position was achieved given the explosion in player remuneration in League 1 which saw an increase of more than 50% in these costs. Although player-related spending in League 1 is governed by the EFL's Salary Cost Management Protocol (SCMP), there is ultimately no limit on what an individual club may spend on player costs. Unlike the Premier League or EFL Championship there is also no limit on the extent of losses a club may incur in League 1. Despite our player costs increasing by more than 20% compared to last season, we slipped from the 12th largest budget to 19th and 17th after the summer and winter transfer windows respectively.

We reached the third round of the FA Cup before losing narrowly to League 1 title winners Birmingham City and lost by the same scoreline to Bolton Wanderers in the last 16 of the EFL Trophy. The biggest disappointment was a first round exit to League 2 Harrogate Town in the Carabao Cup.

Turnover

Turnover is analysed into its main components as follows:

	2025 £ 000	2024 £ 000
Matchday	2,852	2,353
Central distribution and grants	2,275	1,768
Commercial, hospitality and retail	1,910	1,750
Academy grants and fundraising	776	680
Football fortune and miscellaneous income	665	426
	8,478	6,977

Overall turnover was significantly higher, up nearly 22% and surpassing £8million for the first time.

Although Matchday revenue shows a significant increase this was largely due to the decision to bring bar and catering operations in-house from the start of the season. Excluding this impact, Matchday revenue was marginally up due to higher season ticket sales and slightly better cup revenue offset by a decline in EFL digital sales following the new broadcast deal.

Central distributions increased by nearly £0.5 million, almost solely on the back of the new EFL domestic broadcast deal with Sky Sports. After offsetting the loss in domestic digital sales, the net benefit from the new deal amounted to £0.35 million. Solidarity income from the Premier league increased by just under 3%.

Commercial income again increased by a double-digit percentage while retail and hospitality income were marginally higher.

Football fortune and miscellaneous income increased by more than £200k largely due to more prize money from greater progress in the FA Cup and EFL trophy. Player loan fees received were also higher.

Player Trading

Included in other operating income were player trading profits exceeding £0.5million. This primarily comprised the guaranteed fee and a contingent appearance fee from Millwall from the sale of goalkeeper Lukas Jensen in July 2024. Further net receipts were derived from the sale of Dylan Duffy to Chesterfield, 14-year-old academy player Jaxon Tomak to Nottingham Forest and a contingent appearance fee from the sale of Lasse Sorensen.

Netted off against the receipts were costs arising from the mutual cancellation of Jaden Brown's contract and a contingent appearance fee due to Tottenham Hotspur on the ending of TJ Eyoma's contract with the club.

Operating loss

The loss for the financial year was marginally lower than the corresponding year at £2.9 million and in line with projections. Despite the sharply higher turnover, administrative expenses increased by 13%.

As mentioned previously, the decision to bring bar and catering operations in-house inflated turnover as well as increasing costs by £0.45 million. Aside from higher player related expenditure, general business costs continued to increase at well above the rate of inflation.

Balance sheet

The cost of additional player and management registrations during the financial year amounted to £0.55 million comprising fees for the signing of Rob Street, JJ McKiernan, George Wickens, Dom Jefferies and Erik Ring as well as some minor contingents for players signed previously.

Capital expenditure during the financial year amounted to £0.8million including £0.5 million at the LNER stadium and just over £0.2 million at the Elite Performance Centre.

Cash balances at year-end increased to £1.6 million from £1.3 million.

Long term creditors increased further to £2.6 million, attributable to the receipt of further capital grants for the Stacey West Community Hub project. Actual long-term debt which relates to bonds issued to fans for capital projects amounted to £537k at year-end with a further £79k included in current liabilities.

Net assets increased to £4.5 million from £3.8 million.

All additional funding required by the club was provided by shareholders through the issue of an additional 9.9 million shares for £3.6 million.

POST BALANCE SHEET AND FUTURE DEVELOPMENTS

We were pleased to record our first seven figure player sale with the transfer of academy graduate Jovon Makama to Norwich City in August. Midfielders Ethan Erhahon and Ethan Hamilton were also sold during the summer transfer window.

These player sales will enable a significant reduction in the forecast loss for the 2025/26 year to approximately £2 million. Cash flow requirements will however remain close to previously anticipated levels with significant reinvestment into the squad. Ukrainian U21 international midfielder Ivan Varfolomeev was signed from Slovan Liberec in the Czech Republic for the biggest outlay during the summer window, and Ryley Towler and Oscar Thorn were also acquired, from Portsmouth and Colchester United respectively, for low six figure fees.

On 11 December, the board approved a proposal from Ron Fowler which would result in his company Liquid Investments, Inc. increasing its shareholding in Lincoln City Holdings, the controlling shareholder of the football club, above 25% and assume responsibility for the funding of the club for the immediate future. Acquiring 25% or more of the share capital is regarded by the EFL as acquiring Control and consequently Liquid Investments, Inc. will need to demonstrate they are eligible to acquire Control and are able to and will provide the necessary funding to ensure the club can continue to operate post-acquisition. Upon approval from the EFL, Liquid Investments, Inc. will acquire additional shares for cash and increase it's holding above 25%. The additional funding to be provided by Liquid Investments, Inc. in the current season is earmarked for various projects at the LNER Stadium which will aim to maximise our major assets and amplify our core focus on growing fan engagement, commercial revenue and innovation. Ron Fowler will assume the role of Chairman of both Lincoln City Holdings and the football club with Clive Nates and Jay Wright being the co-Vice Chairman.

ON BEHALF OF THE BOARD:

C H Nates - Director

11 December 2025

Report of the Directors
for the Year Ended 30 June 2025

The directors present their report with the financial statements of the company for the year ended 30 June 2025.

PRINCIPAL ACTIVITY
The principal activity of the company in the year under review was that of running a professional football club together with related and ancillary operations.

DIVIDENDS
No dividends will be distributed for the year ended 30 June 2025.

DIRECTORS
The directors set out below have held office during the whole of the period from 1 July 2024 to the date of this report unless otherwise stated.

R G Bates - resigned 11 August 2025
Lincoln City Supporters' Society Ltd
S L Tointon - resigned 11 August 2025
C H Nates
J S Wright
G D Levine - resigned 11 August 2025
H F F Kok - resigned 11 August 2025
D Lowes
S A Melnick
A J Slater
C J Travers - resigned 11 August 2025
S Hindocha - resigned 11 August 2025
H Jabara
G C Rossini
L J Scully
H N Ragland IV - resigned 11 August 2025
A P Fowler - appointed 11 August 2025
R L Fowler - appointed 11 August 2025

The beneficial interests of the directors holding office during the year to 30 June 2025 in the shares of the company, according to the register of directors interests were as follows:

	30/06/25	30/06/24
R G Bates - resigned 11 August 2025	200	200
The Red Imps Community Trust	359,798	351,548
S L Tointon - resigned 11 August 2025	6,500	6,500
C H Nates	40,000	20,000
J S Wright	200	200
G D Levine - resigned 11 August 2025	200	200
H F F Kok - resigned 11 August 2025	200	200
D Lowes	200	200
S A Melnick	200	200
A J Slater	2,332	2,332
S Hindocha - resigned 11 August 2025	200	200
H Jabara	200	200
G C Rossini	4,000	4,000
P C Webster - resigned 2 October 2024	-	200
L J Scully	200	200

These directors did not hold any non-beneficial interests in the shares of the company.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Wright Vigar Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

C H Nates - Director

11 December 2025

Report of the Independent Auditors to the Members of Lincoln City Football Club Company Limited

Opinion

We have audited the financial statements of Lincoln City Football Club Company Limited (the 'company') for the year ended 30 June 2025 which comprise the Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2025 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The financial statements of Lincoln City Football Club Limited as of 30 June 2024 were audited by other auditors whose report dated 19 December 2024 expressed an unmodified opinion on those statements.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception
In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors
As explained more fully in the Statement of Directors' Responsibilities set out on page six, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our work is performed to include an assessment of the susceptibility of the entity's financial statements to material misstatement, including the risk of fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

In identifying and assessing risk of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We plan our work to gain an understanding of the significant laws and regulations that are of significance to the entity and the sector in which they operate. We perform our work to ensure that the entity is complying with its legal and regulatory framework.
- We obtained an understanding of how the company is complying with those legal and regulatory frameworks by making inquiries to the management and people charged with governance.

We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur. Audit procedures performed by the engagement team included:

- Substantive procedures performed in accordance with the ISAs (UK).
- Challenging assumptions and judgments made by management in its significant accounting estimates.
- Identifying and testing journal entries, in particular material journal entries and an assessment of year end journals.
- Assessing the extent of compliance with the relevant laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Report of the Independent Auditors to the Members of Lincoln City Football Club Company Limited

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. STATUTORY INFORMATION

Lincoln City Football Club Company Limited is a private company, limited by shares , registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements
These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Critical accounting judgements and key sources of estimation uncertainty
The financial statements are prepared to generally accepted accounting principles which requires management to make estimates and assumptions that affect assets and liabilities. Actual results could be different due to these estimates. The effect of any differences are reported at the time the information becomes available. Potential assets and liabilities can only be realised once they become due, because of the uncertain nature of football. These include add-on fees relating to but are not limited to sell on clauses, appearances, goals, clean sheets and promotions.

Turnover
Turnover represents gate monies, league levy and cup pool, advertising and sponsorship income, bar and catering, retail shop and all weather pitch income, excluding Value Added Tax.

Income from commercial contracts and season ticket sales received prior to the year end but for the following season is classed as deferred income.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Property	-	Varying rates between 0% and 20% on Cost
Equipment	-	20% on Cost
Motor vehicles	-	20% on Cost

Due to the repairs and maintenance carried out in the year certain property assets have not been depreciated. In these circumstances the directors undertake an annual impairment review of these assets.

Government grants
Government grants received are treated as deferred creditors and credited to the profit and loss account over the estimated useful life of the relevant fixed assets.

Investments in subsidiaries
Investments in subsidiary undertakings are recognised at cost.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

continued...

2. **ACCOUNTING POLICIES - continued**

Financial instruments
Only basic financial instruments as defined in FRS102 are held. Financial assets and financial liabilities are recognised in the accounts only when the entity becomes party to the contractual provision of the instrument and their measurement basis is as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at transaction price.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Basic financial liabilities, including creditors, loans and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Taxation
Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development
Expenditure on research and development is written off in the year in which it is incurred that does not meet the criteria for capitalisation.

Pension costs and other post-retirement benefits
The company operates a defined contribution pensions scheme. Contributions payable to the company's pension scheme are charged to the profit or loss in the period to which they relate.

Pensions are paid to some employees' personal pension plans. These costs are charged to the profit and loss account as they occur.

Deferred income
Deferred income comprises amounts received from sponsorship, season tickets and other income which is released to the profit and loss on a straight line basis over the period to which it relates.

continued...

2. ACCOUNTING POLICIES - continued

Intangible assets - player and management registrations
Transfer fees and other costs associated with the acquisition of players, management and professional department support team registrations are capitalised as intangible fixed assets. These costs are amortised over the period of the players, management and professional department support team contracts adjusted for any agreed extensions. These costs are adjusted when amortised value exceeds the amount recoverable through use or sale. Future costs which may become due are recognised within the original cost of acquisition if, in the opinion of the directors, it is probable that these costs will be incurred.

Where proceeds are received from the disposal of players, management and professional department support team these future receipts are not recognised as part of the proceeds of disposal until such time as the events upon which these receipts are dependent, are known to have occurred, No value is recognised in the financial statements for players, management and professional department support team developed within the company.

Going concern
The Parent Company and underlying investors have indicated their intention to support the company by providing funding until the end of the current season and beyond if that is necessary. The Directors continue to take a proactive and broad approach to seeking further investment. The Directors have undertaken a review of the business plan and likely cash flow requirements covering a period of at least twelve months from the date of approval of these accounts and have concluded that it is appropriate for the financial statements to be prepared on the going concern basis.

Rental

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

3. TURNOVER

The turnover and loss before taxation are attributable to the one principal activity of the group.

An analysis of turnover by class of business is given below:

	2025	2024
	£	£
Matchday	2,851,800	2,353,012
Central distribution and grants	2,275,433	1,768,428
Commercial, hospitality and retail	1,909,729	1,749,839
Academy grants and fundraising	775,767	679,493
Football fortune and miscellaneous income	665,579	426,196
	8,478,308	6,976,968

The turnover and loss before taxation are attributable to the one principal activity of the company.

4. EMPLOYEES AND DIRECTORS

	2025	2024
	£	£
Wages and salaries	6,662,181	6,179,878
Social security costs	778,620	649,313
Other pension costs	85,486	108,579
	7,526,287	6,937,770

continued...

4. EMPLOYEES AND DIRECTORS - continued

The average number of employees during the year was as follows:

	2025	2024
First team support staff	27	24
First team players	31	30
Academy support staff	30	29
Scholars	15	16
Business Ops & Commercial	24	25
Matchday (Catering and stewarding)	212	105
	339	229

The employee descriptions have been updated to bring in line with internal reporting with the prior year restated.

During the year directors remuneration amounted to £199,500 (2024: £32,000).

5. OPERATING LOSS

The operating loss is stated after charging/(crediting):

	2025	2024
	£	£
Depreciation - owned assets	124,019	103,516
Profit on disposal of fixed assets	(526,978)	(370,757)
Player and management registrations amortisation	371,223	297,397

6. INTEREST PAYABLE AND SIMILAR EXPENSES

	2025	2024
	£	£
Bond interest	12,991	14,510

7. TAXATION

Analysis of the tax charge
No liability to UK corporation tax arose for the year ended 30 June 2025 nor for the year ended 30 June 2024.

Reconciliation of total tax charge included in profit and loss
The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2025	2024
	£	£
Loss before tax	(2,881,002)	(2,981,079)
Loss multiplied by the standard rate of corporation tax in the UK of 25% (2024 - 25%)	(720,251)	(745,270)
Effects of:		
Depreciation in excess of capital allowances	30,827	18,019
Losses brought forward	(3,375,204)	(2,647,953)
Losses carried forward	4,064,628	3,375,204
Total tax charge	-	-

Factors that may affect future tax charges
Losses carried forward amounted to £18,582,931 (2024: £15,280,556). No provision has been made for a deferred taxation asset as the recoverability of these losses against future profits is uncertain.
