The Millwall Football and Athletic Company (1985) Limited

Strategic Report
For the Year Ended 30 June 2024

The Directors present their Strategic Report together with the audited financial statements for the year ended 30 June 2024.

Principal activity

The Company's principal activity is that of a professional football club.

Business review

The campaign under review, 2023/24, was the club's seventh consecutive season in the Sky Bet Championship, which is the second tier of English football.

A turbulent season for The Lions ended on a high, with five straight League wins to finish 13th in the table on 59 points, averaging 1.28 points per game.

This was nine points lower than the previous campaign tally and five League positions lower - the club's lowest finish since the 2018/19 season.

After nearly four years in charge, manager Gary Rowett departed the club in mid-October by mutual consent. Assistant manager, Adam Barrett, took temporary charge of senior team affairs and was assisted by first team coach, Paul Robinson. Joe Edwards was installed as the new Head Coach on the 6th November 2023 and in his first game, led the club to its highest away win in the Championship since 2001, a 4–0 win at Sheffield Wednesday. Just four wins from 19 however forced the club to make a change, with Neil Harris returning as head coach, winning eight of the final 13 games to steer the club away from relegation dangers.

Across the campaign a total of 27 players were used. This total was joint second lowest across the League, and highlights the club's tight controls around budget and squad size in comparison to some of its competitors. The average age of the players used throughout the campaign was 26 years old.

There were a number of academy highlights to look back on fondly from the 2023/24 season. Having made his senior debut the previous year, academy graduate Romain Esse featured 25 times in the League and was involved in the First Team squad 47 times across all competitions. Millwall's U21s retained their Professional Development League title, the U18s meanwhile, were crowed Professional Development League Cup champions and reached the semi-finals of the FA Youth Cup.

The club is required to comply with the EFL's Profit and Sustainability Rules which, in overview, permit clubs to incur losses up to £39m over a three-year period before any restrictions on spending are applied, providing that losses in excess of £5m per year are funded through equity. In the season under review, the club were once again well within these financial limits and the Board remains totally committed to complete compliance with the rules to ensure the sustainability and health of the club for the benefit of all stakeholders.

Competitive imbalances within the Championship continue to grow each season as the financial strength of the Premier League, the division above, increases year on year. Clubs relegated from the Premier League into the Championship arrive with parachute payments, which serve to distort on-pitch competition, player salaries, the recruitment market, and more.

Discussions around an independent regulator continues and the club welcomes the reintroduction of The Football Governance Bill, initially introduced in March 2024 but failed to pass through parliament before the general election was called in May. The club remains supportive both of calls for an Independent Regulator of the sport and a redistribution of income from the Premier League to the EFL, providing it comes with enhanced regulation to help improve the sustainability of clubs.

A review of the Company's financing, property development and regeneration activities is provided later in this report.

John Berylson

In July 2023, John Berylson, the club Chairman tragically passed away following a car accident. John's sudden and tragic passing unquestionably impacted all those who were fortunate to have known him. Since first becoming involved in the club in 2006, he has presided over some of the greatest moments in Millwall's history, and his influence in providing the platform for those was immeasurable.

With John's tragic passing, his son James Berylson was appointed Chairman of the club. James has been able to continue with his late father's vision, and ensured a continuation of the close relationship between the club and the Berylson family.

Results

The Statement of Comprehensive Income is set out on page 14 of the Company's financial statements.

Revenue for the year at £21.4m (2023 - £19.4m) is an increase of 10% (2023 - 4% increase). Total matchday revenue has increased by 21% year on year from £6.2m in 2022/23 to £7.5m in 2023/24. Commercial revenue has seen a 1% decrease whilst Central income, mainly from EFL basic award and Premier League Solidarity has a 8% increase year on year.

Average league attendance for the year was 16,544 compared to an average of 14,767 in 2023, representing a year on year increase of 12% as well as the highest average attendance for the club since moving to the Den in the 1990's.

Total staff costs of £25.6m represent a 13% increase over the prior year (2023 - £22.6m), reflecting the continued investment both into the playing squad, as well as the football management team that took place during the year.

Other expenses have increased significantly year on year in line with the increase in business activity, with the 27% (2022/23 - 15%) increase to £10.0m (2022/23 £7.9m) reflecting the more ordinary levels of business activity and increased fan attendance.

At 30 June 2024, the Company had net liabilities of £146m (2023 - net liabilities £128m).

The Directors do not recommend payment of a dividend.

Commercial Endeavours

The club would like to thank all its various sponsors and partners, at all levels, for their invaluable support throughout 2023/24.

A growth of overall commercial and matchday revenues, not just through sponsorships, but also through retail, hospitality, conferencing and events, and ticketing, was of core importance to the club's overarching strategic direction.

The season launched with Fanatics as its new multichannel retail partner, providing a wider range of merchandise and products for supporters worldwide to enjoy moving forward. By early August, the club had launched its three kits for the upcoming campaign alongside its new technical partner, Erreà. Losses of revenue receipts were incurred as a result of Huski, the club's front-of-shirt sponsor, going into administration which resulted in the termination of the partnership in May 2024.

The season saw the club record its highest average attendance in 70 years, averaging 16,544. The jump in numbers is aided by record breaking season ticket sales ahead of the 2023/24 season – almost 9,000 - as well as an increase in fans attending on a weekly basis as opposed to picking and choosing fixtures.

Commercial Endeavours (continued)

Millwall's international audience continues to grow healthily, too. A staggering 11,000 unique overseas supporters visited SE16 for at least one match last season – a 63% increase on 2022/23's total. The club proudly welcomed 1,764 fans from abroad for Millwall's home fixture win against Norwich City on 29th December 2023; a record by some margin for a single game at The Den.

Supporters flocked from all around the globe to get a flavour of Millwall Football Club, with fans travelling from across 70 different nationalities and territories, including some more remote places such as the islands of Aruba and Réunion. German Lions made up almost 15% of our international audience, with 1,351 supporters visiting last season. Over 1,000 Americans came to cheer on the team, closely followed by Zian Flemming's countrymen from the Netherlands.

Italy and Sweden made up the rest of the club's top five overseas supporting fanbases – as well as all Nordic countries; Denmark, Finland, Norway and Sweden taking up a large portion of the overseas following.

Records were also set domestically. Just over 7,000 UK-based supporters visited The Den for the first time in 2023/24.

Giving the club's location close to the heart of the City of London, the competitive landscape around conferencing and events continues to be a challenging one. While business continues to improve, there remains significant potential and room for growth in this area for the club.

Finance

The Company via Millwall Holdings Limited, continues to be funded by its principal shareholder, Chestnut Hill Ventures LLC ("CHV") and by its Directors. The existing facility is £20m (CHV Facility) with £10m outstanding at the year end. Additional funding requirements during the year have been met by CHV and certain Directors subscribing for new ordinary shares of £10,000 each at par. During the year 1,938 ordinary shares were issued for cash in Millwall Holdings Limited raising £19.38m of funds for the Group.

The CHV Facility and the £525,000 2013 Unsecured Loan Notes (Loan Notes), held by Directors and their associates, were repayable on 1 July 2024. CHV and the Loan Notes holders had agreed that no interest would accrue in respect of the CHV Facility and Loan Notes until 30 June 2024. By an agreement dated 30 June 2024, CHV extended the suspension of interest until 1 July 2025 (when interest will begin to accrue again unless CHV agrees otherwise). The other Loan Notes holders have agreed that no interest will accrue on the Loan Notes until the date on which the Company and CHV agree that interest will begin to accrue again in respect of the CHV Facility. The repayment date of the CHV Facility and other Loan Notes was also extended to 1 July 2026.

The Directors are of the view that, together with the further arrangements referred to in note 1 to the financial statements, ongoing equity investment and extended loan facilities from CHV and the Directors, provides the Company with sufficient access to working capital to fund the operations of the Company over the next few years.

Regeneration

As reported in the previous year, the club's improved relations with Lewisham Council and Renewal, the property developer for the adjacent site, continued during the year with further progressive talks held with the Mayor, Damien Egan and his replacement Brenda Dacres as well as with senior planning officers from Lewisham.

In May 2024 the club and Lewisham Council agreed the key terms of a 999-year lease for the land surrounding The Den, which will give the club development rights as part of plans designed to benefit the club, its supporters, the Council itself as well as the local community generally.

At the time of writing, the full lease agreement is being finalised and is expected to be signed in early 2025. The club expresses its gratitude to the Council and its senior officers for their approach to these discussions.

Training Ground

As reported in the previous year, in October 2022, Sevenoaks Council's planning committee formally approved the club's plans for a new training ground on a 100-acre site in West Kingsdown, Kent. This new location is designed to bring together the First Team and Academy, and their respective support and administration staff, rather than have them operate on separate sites as it currently the case. This brings about varying logistical challenges which a new location would serve to reduce.

During 2023/24 the club has continued to look at cost analysis and tendering processes as part of the project development costs. With the significant increases in cost of building materials and labour, this has impacted on initial project plans and has impacted on the short-term completion goals initially set. Progress is continuing on the planning, however at present no lead contractor has been appointed.

To give the club certainty over its training facilities, discussions have commenced regarding the leasehold site currently occupied as the First Team training ground, and the club are currently exploring the opportunity to purchase the freehold to this site, which will allow for further short-term development and infrastructure improvements, as well as consideration around a longer term London base as part of its academy footprint.

Community Trust

Millwall Community Trust (MCT) continues to work proudly across Lewisham and Southwark, which they have done since 1985, to support the local community. The 2023/24 season saw the Millwall Community Trust provide 8,000 free meals whilst also providing the same number of free places on its holiday camps, whilst working with over 12,000 people in the local community.

The club's commitment to a thriving and ultimately successful Community Trust is reflected by having two of its Directors and two members of senior management on the Board of Trustees. The strength and depth of the relationship is also demonstrated by financial support and by making club facilities, resources, and assets available for their benefit, including the arranging of first team player visits to different programmes across the season.

Millwall's Military Veteran Football Programme in partnership with Military Veteran Football Club was set up in April 2024 and has grown from strength to strength. After completing Tommy's D-Day Trek for Royal British Legion Industries (RBLI) - raising over £4,000 the programme then competed at this year's Royal British Legion EFL Cup, beating Fleetwood Town Military Veterans in the final 4-0. Millwall Romans and Pride - Millwall's LGBT sides - continues to grow as well, with over 60 team members across the two sides, with four league titles to their name.

Club Restructure

In May 2024 following an internal review by the board, a number of changes were announced both to the structure of the club but also to some of the key personnel with Alex Aldridge, Billy Taylor and Steve Kavanagh leaving the club. In line with modern football practices the key operations have been split between the football operations and non-football. This restructure is linked to a clear vision around the long-term strategy, with a focus on development of footballing talent and a self-sustaining reinvestment model, as well as business growth, diversification and improved efficiency.

The club thanks Steve, Billy and Alex for all their hard work and commitment to the club over their tenure and wishes them well for the future.

Matija Sarkic

On the 15th June 2024, the club was left devastated by the sudden passing of its goalkeeper, Matija Sarkic, at the age of 26 years old.

Matija signed for the club in August 2023, making his debut in The Lions' League opener away at Middlesbrough in a 1-0 win. He would go on to make 33 appearances in total in the 2023/24 campaign, and proudly represented his national Montenegro on an international stage.

Matija Sarkic (continued)

The Montenegrin's crucial save at St Mary's against Southampton in Neil Harris' first game back in charge of the club helped the club to a vital three points, whilst Sarkic's penalty save at Swansea City on the final day of the season will live long in the memory. The goalkeeper's last fixture was for Montenegro on 5th June against Belgium in an international friendly.

Always a happy character, Matija's smile, and personality will be sorely missed by all at Millwall Football Club.

Principal risks and uncertainties

In common with many football clubs outside the FA Premier League the main business risk is the maintenance of a positive cash flow, bearing in mind the uncertainty of turnover and the high cost of maintaining a playing squad on which the success of the Group's business is largely dependent. In order to achieve a positive cash flow there is the constant requirement to raise new finance and refinance existing facilities which, in turn, requires the continuing support of existing providers of those facilities.

A significant amount of the Club's revenue derives from ticket sales. Income generated from gate receipts is highly dependent on the level of attendance at matches. The COVID-19 pandemic has highlighted the reliance of all football clubs on matchday revenue, and also cost control measures can and have been implemented, these cannot mitigate the lost income seen at present.

Some income streams of the Club (such as television rights and related income) are dependent on third party contracts and arrangements to which the Club is not a party and over which the Club can exercise no or little influence.

As part of its normal activities, the Club deals in the trading of player registrations and there is always a risk of significant and lasting injuries to players that may impair player values. Players aged 24 years or older are free to move between clubs once their contract has come to an end and Directors monitor expiry dates carefully with a view to renewing contracts or realising value.

Relevant business risks are discussed during Board meetings so that, where a material exposure is identified, mitigating action can be taken.

Post balance sheet events

Subsequent to the year end, the Company acquired the permanent registrations of Tanganga, Jensen, Langstaff, Kelly, Azeez, and Ivanovic as well as the temporary registrations of Callum Scanlon, Ryan Wintle and Josh Coburn during the summer transfer window.

During the January transfer window, the Company saw the departure of homegrown talent Romain Esse who joined Premier League side Crystal Palace, as well as Tom Bradshaw to Oxford United and Connal Truman to MK Dons. The Company wishes them well and thanks them for their service.

The Company strengthened the squad with a further eight additions, including Camiel Neghli from Sparta Rotterdam, Tristan Crama from Brentford, Ajay Matthews from Middlesbrough, Luke Cundle from Wolverhampton Wanderers, Zak Lovelace from Rangers, Benicio Baker-Boiatey from Brighton & Hove Albion, and Aaron Conolly from Sunderland. The club also acquired the temporary registration of Zak Sturge from Chelsea.

On 10 December, the Company announced that the head coach Neil Harris had resigned from his role, and subsequently on 30 December, the Company announced the appointment of his replacement, Alex Neil.

The Company have also completed the freehold purchase of Calmont Road, the first team and Under 21s Training ground in Bromley.

Going concern

In assessing the appropriateness of the going concern assumption, the Directors have produced detailed cash flow forecasts until 30 June 2026.

The Directors have continued to undertake a range of measures to ensure a prudent running of the organisation. The Company's immediate parent, Millwall Holdings Limited has a £20m facility in place from CHV that was drawn to £10m as at the year end, which does not fall due for repayment until 1 July 2026. The Directors believe this, in conjunction with the ongoing support of the Group's principal shareholder, provides sufficient working capital for the current needs of the Company for the foreseeable future.

However, forecasts prepared for and reviewed by the board demonstrate that in most reasonable scenarios additional shareholder funding will be required which is not yet guaranteed. As such, the directors have identified a material uncertainty that may cast significant doubt over the Company's ability to continue as a going concern for the foreseeable future.

As reported last year, the UK Government has been progressing with the Football Governance Bill, which is currently going through the parliamentary review process. This regulation includes the establishment of an independent regulator for football as well as looking at the engagement with supporter groups through the establishment of a shadow board and a review of the uneven distribution system through the English football pyramid. As a Club the Directors support the recommendations made in the Government review and welcome the progress that has been made to date on the Football Governance Bill, and are actively taking steps to adopt some of the measures recommended in advance of any structural change within the football environment.

On behalf of the Board

M Fairbrother
Director

18 February 2025

The Millwall Football and Athletic Company (1985) Limited

Directors' Report
For the Year Ended 30 June 2024

The Directors present their report together with the audited financial statements for the year ended 30 June 2024.

Results and dividends

The loss for the year, after taxation, amounted to £18,592,000 (2023 - loss £11,239,000).

Directors

The Directors who served during the year were:

J T Berylson
P Garston
C Gonticas
M K Sidman
T J Keyse
D Kouvaris
R S Press
M Fairbrother (appointed 26 June 2024)

The following Directors resigned during the year:

J G Berylson (resigned on passing 13 July 2023)
S A Kavanagh (resigned 24 May 2024)

Political and charitable donations
During the year, the Company made a contribution to a charity of £Nil (2023 - £Nil). Refer to page 4 for community activities. The Company made no political donations.

Market value of land and buildings
Given the specialised nature of the Company's property interests, the Directors do not consider that there is a readily ascertainable market value for the Company's properties, which are carried in the accounts at cost less depreciation.

Payment of creditors
The Company's policy is to settle agreed amounts outstanding to creditors within sixty days. This policy is made known to staff who handle payments to suppliers and is made known to suppliers on request. The Company's trade creditors at 30 June 2024 represented 84 days' purchases (2023 - 50 days).

Employee involvement
The Company operates employment policies, which place emphasis upon employee involvement where possible. The Company practices equality of employment opportunity irrespective of sex, race, colour, marital status or ethnic or national origins. It is the Company's policy to offer equal opportunity to disabled persons wherever appropriate, having regard to their aptitudes and abilities.

Other disclosures
Disclosure of exposure to financial risks, post balance sheet events and future developments are included in the strategic report on pages 1 to 6.

Disclosure of information to auditor

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

The auditor, BDO LLP, was appointed during the year and will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board on 18 February 2025 and signed on its behalf.

M Fairbrother
Director

Directors' Responsibilities Statement
For the Year Ended 30 June 2024

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of The Millwall Football and Athletic Company (1985) Limited

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2023 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of The Millwall Football and Athletic Company (1985) Limited ("the Company") for the year ended 30 June 2024 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Material uncertainty related to going concern

We draw attention to note 2 to the financial statements, which describes how the ability of the company to continue as a going concern is dependent on additional funding from the shareholder that is no guaranteed. As stated in note 2, these events or conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Non-compliance with laws and regulations
Based on:

- Our understanding of the Company and the industry in which it operates;
- Discussion with management and those charged with governance, and
- Obtaining and understanding of the Company's policies and procedures regarding compliance with laws and regulations.

we considered the significant laws and regulations to be UK GAAP and the Companies Act 2006.

The Company is also subject to laws and regulations where the consequence of non-compliance could have a material effect on the amount or disclosures in the financial statements, for example through the imposition of fines or litigations. We identified such laws and regulations to be the health and safety legislation and the Bribery Act 2010, as well as compliance with the Football League and the Football Association rules.

Our procedures in respect of the above included:

- Review of minutes of meeting of those charged with governance for any instances of non-compliance with laws and regulations;
- Review of correspondence with tax authorities for any instances of non-compliance with laws and regulations;
- Review of financial statement disclosures and agreeing to supporting documentation, and
- Review of legal expenditure accounts to understand the nature of expenditure incurred.

Fraud
We assessed the susceptibility of the financial statements to material misstatement, including fraud. Our risk assessment procedures included:

- Enquiry with management and those charged with governance regarding any known or suspected instances of fraud;
- Obtaining an understanding of the Company's policies and procedures relating to:
    - Detecting and responding to the risks of fraud; and
    - Internal controls established to mitigate risks related to fraud.
- Review of minutes of meeting of those charged with governance for any known or suspected instances of fraud;
- Discussion amongst the engagement team as to how and where fraud might occur in the financial statements;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud, and
- Considering remuneration incentive schemes and performance targets and the related financial statement areas impacted by these.

Independent Auditor's Report to the Members of The Millwall Football and Athletic Company (1985) Limited (continued)

Auditor's responsibilities for the audit of the financial statements (continued)

Fraud (continued)
Based on our risk assessment, we considered the areas most susceptible to fraud to be management override of controls, improper revenue recognition and management bias in accounting estimates.

Our procedures in respect of the above included:

- Testing a sample of journal entries throughout the year, which met a defined risk criteria, by agreeing to supporting documentation;
- Assessing significant estimates made by management for bias Selecting a sample of commercial income balance and agreeing to supporting contracts; and
- Comparing the list of commercial sponsors on the club website to the commercial income received in the year to confirm completeness.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members who were all deemed to have appropriate competence and capabilities and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. General information

The Millwall Football and Athletic Company (1985) Limited is a private company limited by shares and incorporated in England and Wales under the Companies Act 2006. The address of the registered office is given on the Company information page and the nature of the Company's operations and its principal activities are set out in the Strategic Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The presentational and functional currency of these financial statements is GBP. Values are rounded to the nearest £'000.

The following principal accounting policies have been applied:

2.2 Financial Reporting Standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirements of Section 26 Share-based Payment paragraphs 26.18(b), 26.19 to 26.21 and 26.23;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Millwall Holdings Limited as at 30 June 2024 and these financial statements may be obtained from the Registrar of Companies Registration Office, Crown Way, Cardiff CF4 3UZ.

2.3 Going concern

In assessing the appropriateness of the going concern assumption, the Directors have produced detailed cash flow forecasts until 30 June 2026.

The directors have continued to undertake a range of measures to ensure a prudent running of the organisation. The Company's immediate parent, Millwall Holdings Limited has a £20m facility in place from CHV that was drawn to £10m as at the year end, which does not fall due for repayment until 1 July 2026. The Directors believe this, in conjunction with the ongoing support of the Group's principal shareholder, provides sufficient working capital for the current needs of the Company for the foreseeable future.

2. Accounting policies (continued)

2.3 Going concern (continued)

As reported last year, the UK Government has been progressing with the Football Governance Bill, which is currently going through the parliamentary review process. This regulation includes the establishment of an independent regulator for football as well as looking at the engagement with supporter groups through the establishment of a shadow board and a review of the uneven distribution system through the English football pyramid. As a Club the Directors support the recommendations made in the Government review and welcome the progress that has been made to date on the Football Governance Bill, and are actively taking steps to adopt some of the measures recommended in advance of any structural change within the football environment.

At 30 June 2024, the Company had net liabilities of £146.3 million and net current liabilities of £164.1 million.

The directors continually monitor the financial position of the Company and have prepared the financial statements on a going concern basis, having had regard to:

- cash flow projections prepared to 30 June 2025, and expected cash flow forecasts for the year thereafter i.e. 30 June 2026, including the effect of player trading; and

- the continuing provision of facilities to the Group from Chestnut Hill Ventures LLC ("CHV"). The repayment date on the existing £10 million loan facility was extended during the year to 1 July 2026, with interest accruing only from 1 July 2025. CHV has also undertaken to provide the Group with further support, if necessary, for at least the next 12 months, as it has done during the current and previous financial years.

Forecasts prepared for and reviewed by the board demonstrate that in most reasonable scenarios additional shareholder funding will be required which is not yet guaranteed. As such, the directors have identified a material uncertainty that may cast significant doubt over the Company's ability to continue as a going concern and therefore its ability to realise its assets and discharge its liabilities in the normal course of business.

While there will always remain inherent uncertainty, the directors remain confident that they will be able to manage the Company's finances and operations so as to achieve the forecasted cash flows and, with the continued support of CHV, consider that it is appropriate to draw up the financial statements on a going concern basis.

The financial statements do not include any adjustments that would result if the going concern basis of preparation were to become no longer appropriate.

2.4 Turnover

Turnover represents income receivable from the Company's principal activities excluding transfer fees and value added tax.

Turnover is analysed between three categories of income streams: Match Day, Central League Awards and Commercial.

2. Accounting policies (continued)

Turnover (continued)

Match Day
Match Day turnover represents income receivable from all match day activities from Millwall games at The Den, together with the share of gate receipts from cup games not played at The Den. The share of gate receipts payable to the other participating club for domestic cup matches played at The Den is treated as a reduction in turnover. Season ticket revenue is recognised over the period of the football season as home matches are played.

Central League Awards
Central League Award revenue comprises the Basic Award and the Solidarity Award from the Football League, along with grant income for the Academy, prize money earned from cup competitions. Awards are recognised over the financial period to which they relate once recovery is considered probable and the revenue can be measured reliably.

Commercial
Commercial revenue comprises income receivable through sponsorship, shop revenue, use of the conference and catering facilities at The Den on non-match days and sundry other income. Sponsorship contracts are recognised over the duration of the contract, either on a straight line basis, or over the period of the football season, as appropriate based on the terms of the contract. Catering revenues are recognised on an earned basis. Revenue from sale of branded products is recognised at the point of dispatch when significant risks and rewards of ownership is deemed to have been transferred to the buyer.

2.5 Deferred income

All income received in advance of football activities, such as season ticket revenue, league awards, advertising, sponsorship and broadcasting revenues are treated as deferred income and released to income over the period or number of matches to which they relate.

2.6 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is provided on the following basis:

Long leasehold premises	- 1% per annum
Fixtures and fittings	- 10%-33% per annum
Pitch renovation	- over the next season
Motor vehicles	- 25% per annum
Leasehold improvement	- Over the life of the lease

Residual value is initially calculated on prices prevailing at the date of acquisition. Residual value is reviewed in each financial period and any changes to initial estimates are reflected in the period of change.

When a significant part of property, plant and equipment is required to be replaced at intervals, the Group derecognises the replaced part, and recognises the new part with its own associated useful life and depreciation. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the income statement as incurred.

2. Accounting policies (continued)

2.7 Impairment of non-financial assets (excluding inventories)

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Impairment charges are included in the other expenses line item in the statement of comprehensive income.

2.8 Stocks

Stocks are stated at the lower of cost and net realisable value. Net realisable value is based on estimated selling price, less further costs expected to be incurred to disposal. Provision is made for obsolete, slow-moving or defective items where appropriate.

2.9 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.10 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.11 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.12 Pension costs and other post retirement benefits

For defined contributions schemes, the amount charged to the statement of comprehensive income in respect of pension costs is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the statement of financial position.

Where the Company participates in a defined benefit plan, which is a multi-employer plan that is accounted for as if the plan were a defined contribution plan, and the Company has entered into an agreement with the multi-employer plan that determines how the Company will fund a deficit, the Company recognises a liability for the contributions payable that arise from the agreement and a resulting expense in the Statement of Comprehensive Income.

2. Accounting policies (continued)

2.13 Leases

Assets held under finance leases, which confer rights and obligations similar to those attached to owned assets, are capitalised as tangible fixed assets and are depreciated over the shorter of the lease terms and their useful lives. The capital elements of the future lease obligations are recorded as liabilities, while the interest elements are charged to profit and loss over the period of the leases to produce a constant rate of charge on the balance of capital repayments outstanding. Hire purchase transactions are dealt with similarly, except that assets are depreciated over their useful lives.

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight line basis over the lease term. Lease incentives on leases entered into before the date of transition to FRS 102 (1 July 2014) continue to be charged over the shorter period to the first market rent review rather than the term of the lease.

2.14 Grants

Grants relating to tangible fixed assets are treated as deferred income and released to the statement of comprehensive income over the expected useful lives of the assets concerned. Other grants are credited to profit and loss as the related expenditure is incurred.

2.15 Players' registrations

The costs associated with the acquisition of players' registrations are initially recorded at fair value of the consideration payable at the date of acquisition as intangible fixed assets. These costs are fully amortised over the period of the respective players' contracts.

For the purposes of impairment reviews, acquired players' registrations are classified within the single football club cash-generating unit until the point at which it is made clear that the player is no longer an active member of the playing squad which is typically because either the player is out of favour with the team, or the player is permanently injured. In these circumstances the carrying value of the player's registration is reviewed against market value less costs to sell and impaired to the extent that the carrying value exceeds this net realisable value.

In situations where a player is permanently injured, fair value is considered to be expected insurance recovery amount.

2.16 Signing on fees

Signing on fees are charged, on a straight line basis, to the statement of comprehensive income over the period of the player's contract. Prepayments/accruals arising at each period end are included within prepayments and accrued income or accruals within current assets or current liabilities, as appropriate. Where a player's registration is transferred, any signing on fee payable in respect of future periods are charged against the profit/(loss) on disposal of players' registrations in the period in which the disposal is recognised.

2. Accounting policies (continued)

2.17 Transfer fees

Transfer fees receivable are recognised in the period in which the registration is transferred and any profit or loss arising is dealt with in the statement of comprehensive income. Contingent transfer fees receivable are recognised once the contingent conditions become probable which is usually when they have been met.

2.18 Taxation and deferred tax

Corporation tax payable is provided on taxable profits at the current rate.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date except that the recognition of deferred tax assets is limited to the extent that the Company anticipates to make sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described above and on the previous page, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revisions affects both the current and future periods.

In preparing these financial statements, the Directors have made the following judgements:

- Useful lives of intangible assets

  Intangible assets are amortised over the length of the players' contract which is deemed to be their useful lives and management's estimates as to their continuing usefulness to the football side.

- Useful lives and residual values of property, plant and equipment

  Property, plant and equipment are depreciated to their residual values over their useful lives. Useful lives are based on estimates of the period that the assets will generate revenue, which are periodically reviewed for continued appropriateness.

4. Turnover

An analysis of turnover by class of business is as follows:

	2024 £000	2023 £000
Match Day	**7,475**	6,169
Central League Awards	**11,000**	10,229
Commercial	**2,940**	2,960
	21,415	19,358

All turnover arose within the United Kingdom.

5. Other operating income

	2024 £000	2023 £000
Loan fee income	**86**	86
Other claims and settlement income	**86**	103
	172	189

6. Operating loss

The operating loss is stated after charging/(crediting):

	2024 £000	2023 £000
Depreciation of tangible fixed assets - owned assets	**519**	535
Amortisation of grant	**(81)**	(81)
Amortisation of proceeds on sale of training equipment	**(63)**	(63)
Operating lease rentals - land and buildings	**324**	324
Operating lease rentals - other	**55**	46
Auditor's remuneration		
- audit of company financial statements	**76**	74
- other service	**12**	7
Amortisation of player's registrations	**3,440**	2,114
(Profit)/loss on sale of player's registrations	**400**	(2,512)

7. Employees

Staff costs, including Directors' remuneration, were as follows:

	2024 £000	2023 £000
Wages and salaries	**22,701**	19,977
Social security costs	**2,516**	2,367
Cost of defined contribution scheme	**362**	239
	25,579	22,583

The average monthly number of employees, including the Directors, during the year was as follows:

	2024 No.	2023 No.
Football team management	**46**	46
Administration and ground staff	**54**	49
Players (including Academy)	**61**	61
	161	156

In addition, the Company employs, on average, a further 134 (2023 - 128) temporary staff on match days.

8. Directors' remuneration

	2024 £000	2023 £000
Directors' emoluments (including benefits in kind)	**364**	434
Company contributions to defined contribution pension schemes	**38**	12
Compensation for loss of office	**154**	-
	556	446

Payments to money purchase pension schemes were made in respect of 1 Director (2023 - 1).

The remuneration of the highest paid Director was £556,000 (2023 - £446,000) including £11,000 (2023 - £12,000) of pension contributions.

The companies key management personnel are considered to be its Directors.

9. Taxation

	2024 £000	2023 £000
Corporation tax		
Current tax on losses for the year	-	-
Total current tax	-	-
Taxation on loss on ordinary activities	-	-

Factors affecting tax charge for the year

The tax assessed for the year is differs from the standard rate of corporation tax in the UK of 25% (2023 - 20.5%). The differences are explained below:

	2024 £000	2023 £000
Loss on ordinary activities before tax	**(18,592)**	(11,239)
Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 25% (2023 - 20.5%)	**(4,648)**	(2,304)
Effects of:		
Expenses and income not deductible or taxable for tax purposes	**327**	282
Unutilised losses carried forward	**4,321**	2,022
Total tax charge for the year	-	-

A deferred taxation asset has not been recognised in respect of trading tax losses totalling £140.8m (2023 - £122.1m) given the inherent uncertainty of future profits. The unprovided deferred tax asset is calculated at £35.2m (2023 - £30.5m).

A deferred taxation asset has not been recognised in respect of unclaimed capital allowances totalling £8.5m (2023 - £13.5m) given the inherent uncertainty of future profits. The unprovided deferred tax asset is calculated at £2.1m (2023 - £3.0m).

The substantively enacted tax rate was 25% as at the statement of financial position date of 30 June 2024.

Factors affecting future tax charge

The main rate of corporation tax increased from 19% to 25% from 1 April 2023. For profits up to £50,000, the corporation tax rate remains at 19% and for profits over £250,000, the corporation tax rate is now 25%. Marginal relief provisions are in place for profits between the lower and upper limits.

10. Intangible assets

	Players' registrations £000
Cost	
At 1 July 2023	**9,725**
Additions	**4,278**
Disposals	**(2,230)**
At 30 June 2024	**11,773**
Amortisation	
At 1 July 2023	**5,725**
Charge for the year	**3,440**
On disposals	**(1,171)**
At 30 June 2024	**7,994**
Net book value	
At 30 June 2024	**3,779**
At 30 June 2023	4,000

11. Tangible fixed assets

	Long leasehold premises £000	Assets in the course of construction £000	Fixtures, fittings and equipments £000	Leasehold improvements £000	Motor vehicles £000	Total £000
Cost or valuation						
At 1 July 2023	**18,706**	**1,794**	**6,031**	**319**	**42**	**26,892**
Additions	**-**	**341**	**242**	**480**	**-**	**1,063**
At 30 June 2024	**18,706**	**2,135**	**6,273**	**799**	**42**	**27,955**
Depreciation						
At 1 July 2023	**5,536**	**-**	**4,913**	**214**	**42**	**10,705**
Charge for the year	**285**	**-**	**198**	**36**	**-**	**519**
At 30 June 2024	**5,821**	**-**	**5,111**	**250**	**42**	**11,224**
Net book value						
At 30 June 2024	**12,885**	**2,135**	**1,162**	**549**	**-**	**16,731**
At 30 June 2023	13,170	1,794	1,118	105	-	16,187

The amounts classified as long leasehold premises represent costs associated with the building of football stadium at The Den.

The net carrying value of assets held under finance lease is £146,489 (2023 - £183,031).

12. Stocks

	2024 £000	2023 £000
Finished goods and goods for resale	**22**	67

13. Debtors: amounts falling due within one year

	2024 £000	2023 £000
Trade debtors	**1,050**	1,780
Transfer fees receivable	**1,530**	1,944
Other debtors	**50**	50
Prepayments and accrued income	**1,003**	409
	3,633	4,183

14. Creditors: amounts falling due within one year

	2024 £000	2023 £000
Other loans	**-**	2,971
Trade creditors	**4,282**	3,596
Taxation and social security	**1,314**	1,615
Amounts relating to cumulative redeemable preference shares	**55**	55
Other creditors	**154**	29
Accruals and deferred income	**4,890**	4,000
Amounts owed to immediate parent company	**157,877**	138,492
	168,572	150,758

Included within accruals and deferred income is an amount of £2,786,000 (2023 - £2,876,000) in relation to amounts received in advance, in respect of season tickets, league awards, executive boxes, membership, advertising and sponsorship relating to the following year.

Under their terms, the 5% cumulative redeemable preference shares of £1 each could have been redeemed by 4 March 1998, but the holders have not taken up their rights of redemption. The preference shares carry no voting rights and on a winding up are entitled to a repayment of the amount paid up plus any dividends due.

The preference shareholders have waived their entitlement to their dividends in respect of the year under review together with the arrears of the preference dividends.

The amount due to the immediate parent Company is interest free, unsecured and has no fixed terms of repayment. Net drawdowns totalling £19,385,000 (2023 - £16,833,000) were made during the year.

15. Creditors: amounts falling due after more than one year

	2024 £000	2023 £000
Non current player payables	**1,149**	-
Non current pension liability	**157**	-
Accruals	**-**	113
Deferred income (see note 16)	**1,393**	1,537
	2,699	1,650

16. Deferred income

	2024 £000	2023 £000
Grants received in respect of the long leasehold premises and other fixtures and fittings (a further £81,000 is included within current liabilities-deferred income)	**1,393**	1,474
Unamortised proceeds from the sale of the Training Ground in excess of market value which is being amortised on a straight line basis over 20 years to 2025 (a further £61,000 is included within current liabilities-deferred income)	**-**	63
	1,393	1,537

17. Loans

Analysis of the maturity of loans is given below:

	2024 £000	2023 £000
Amounts falling due within one year		
Other loans	**-**	2,971
Total loans	**-**	2,971

18. Financial instruments

	2024 £000	2023 £000
Financial assets		
Financial assets measured at amortised cost	**3,406**	3,745
Financial liabilities		
Financial liabilities measured at amortised cost	**6,595**	7,833

Financial assets measured at amortised cost comprise trade debtors, transfer fees receivable, and cash and cash equivalents.

Financial liabilities measured at amortised cost comprise trade and other creditors, other loans payable and accruals.

19. Share capital

	2024 £000	2023 £000
Allotted, called up and fully paid		
400,000 ordinary shares of £1 each	**400**	400

20. Reserves

The Company's capital and reserves are as follows:

Called up share capital

Called up share capital represents the nominal value of the shares issued.

Profit and loss account

The profit and loss account represents cumulative profits or losses, net of dividends paid and other adjustments.

21. Financial commitments

(a) *Non-cancellable operating leases*

Commitments under non-cancellable operating leases are as follows;

	Land and Buildings 2024 £000	Other 2024 £000	Total 2024 £000	Land and Buildings 2023 £000	Other 2023 £000	Total 2023 £000
Minimum lease payments due:						
Within one year	**389**	**45**	**434**	**368**	**48**	**416**
In two to five years	**476**	**19**	**495**	**776**	**47**	**823**
After five years	**5,589**	**-**	**5,589**	**5,540**	**-**	**5,540**
	6,454	**64**	**6,518**	**6,684**	**95**	**6,779**

(b) Pensions

The Club participates in the Football League Pension and Life Assurance Scheme ('the Scheme'). The Scheme is a funded multi-employer defined benefit scheme, with 92 participating employers, and where members may have periods of service attributable to several participating employers. The Club is unable to identify its share of the assets and liabilities of the Scheme and therefore accounts for its contributions as if they were paid to a defined contribution scheme.

The Club is making scheme funding payments based on the actuarial valuation carried our on 31 July 2023. The key assumptions used to calculate the deficit at the 31 August 2023 actuarial valuation were:

Discount Rate	4.55% p.a.
RPI inflation:	3.5% p.a.
Pension Increases:	3.5% p.a.
Mortality (pre-retirement):	No allowance

The Club pays monthly contributions based on a notional split of the total expenses and deficit contributions of the Scheme.

The results of this actuarial valuation when the Club recognised its notional share of the deficit, calculated using the actuarial valuation assumptions, resulted in a liability of £268,976. This 2023 revaluation resulted in a charge to profit and loss, to increase the liability, of £216,461 (2023: £Nil).

Based on the current repayment schedule, the club is contributing £60,744 per annum against this liability.
The Club currently has 1 employee who is a member of the scheme (2023: 1) and pays total contributions of £60,744 p.a. which increases at 5.0% p.a. Based on the actuarial valuation assumptions detailed above, these contributions will be sufficient to pay off the Club's share of the deficit by 30 November 2027.
Under the terms and conditions of the multi-employer plan the entity cannot be liable to the plan for other entities' obligations.

Certain other employees of the Company, except for football players who are responsible for their own pension arrangements, are eligible to be members of defined contribution schemes. The assets of any schemes are held in funds separate from the Company.

21. Financial commitments (continued)

(c) Transfer fees payable/receivable

Under the terms of certain contracts with other football clubs in respect of player transfers, additional amounts would be receivable/payable by the Company if conditions as to future team selection are met. The maximum that could be receivable is £1,210,000 (2023 - £1,045,000). The maximum that could be payable is £3,895,000 (2023 - £3,480,000). These amounts have not been provided for in the financial statements. These amounts do not include various payments or receipts that are determinable only on circumstances which are distant or outside the direct control of the parties to the contract and the player in question.

22. Related party transactions

The Company has taken advantage of the exemption in FRS 102 not to disclose transactions with wholly owned entities within the Group of which it is a member.

23. Post balance sheet events

Subsequent to the year end, the Company acquired the permanent registrations of Tanganga, Jensen, Langstaff, Kelly, Azeez, and Ivanovic as well as the temporary registrations of Callum Scanlon, Ryan Wintle and Josh Coburn during the summer transfer window.

During the January transfer window, the Company saw the departure of homegrown talent Romain Esse who joined Premier League side Crystal Palace, as well as Tom Bradshaw to Oxford United and Connal Truman to MK Dons. The Company wishes them well and thanks them for their service.

The Company strengthened the squad with a further eight additions, including Camiel Neghli from Sparta Rotterdam, Tristan Crama from Brentford, Ajay Matthews from Middlesbrough, Luke Cundle from Wolverhampton Wanderers, Zak Lovelace from Rangers, Benicio Baker-Boiatey from Brighton & Hove Albion, and Aaron Conolly from Sunderland. The club also acquired the temporary registration of Zak Sturge from Chelsea.

On 10 December, the Company announced that the head coach Neil Harris had resigned from his role, and subsequently on 30 December, the Company announced the appointment of his replacement, Alex Neil.

The Company have also completed the freehold purchase of Calmont Road, the first team and Under 21s Training ground in Bromley.

24. Controlling party

Millwall Holdings Limited is the immediate parent undertaking of the Company and the parent of the only Group to prepare consolidated financial statements which include the results of the Company. Copies of those Group accounts have been delivered to, and are available from, the Registrar of Companies Registration Office, Crown Way, Cardiff CF4 3UZ.

Millwall Holdings Limited is under the control of Chestnut Hill Ventures LLC, a Company which is incorporated in the USA. Chestnut Hill Ventures LLC is ultimately controlled jointly by J Berylson and R A Smith, as Trustee of the Philip dec'd Will Trust.
