PETERBOROUGH UNITED FOOTBALL CLUB LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 30 JUNE 2024

The Directors present the strategic report for the year ended 30 June 2024.

Summary of the business

The Directors report a loss before tax for the year of £2,317,552 (2023: loss before tax of £3,532,195).

Key Performance Indicators

The following key performance indicators are used by the Company to measure and evaluate its performance:

	2024	2023
Turnover	£10,174,244	£10,544,565
(Loss)/profit before tax	(£2,317,552)	(£3,532,195)
Staff Costs	£7,342,031	£7,746,140
Average Attendance	9,212	9,030
League Position	4th EFL League One (Play-offs)	6th EFL League One (Play-offs)

The Directors take a cautious view with respect to financial risk management with the Company being well managed by its B oard who operate a strict and prudent fiscal policy in all aspects.

Budgets and projections indicate that revenue generated from footballing activities being season ticket sales, gate receipts, FL Club distributions, competition prize money and TV & broadcasting revenue are insufficient to cover expected costs.

The Directors are continually mindful that financially the Company is dependent and will continue to be dependent upon the support provided by its beneficial owner, Mr D MacAnthony.

Turnover is approximately 3.5% down on the previous year, cost of sales have decreased by approximately 5.8%, leading to a decrease in the gross profit by 2.1%.
Overall Staff Costs are down by approximately 5.2% with this being a targeted area for savings on an ongoing basis.

Principal risks and uncertainties

The nature of professional football presents many risks and uncertainties. The Board is aware of the risks that affect the Company and they are regularly reviewed.

Liquidity risk is the main financial risk faced by the Company and this is addressed by the careful management of its working capital requirements. Uncertainties connected with the various income streams are acknowledged and assessed and future funding requirements are continually reviewed by the Board. The Board are aware of the significant uncertainties that potentially impact the Company, further information on these uncertainties can be found in the going concern section within note 1.2 to the financial statements.

Review of the business

The 2023-2024 campaign was full of excitement and entertainment following the desolation in the manner of how the previous season concluded. During the summer, manager Darren Ferguson and his staff re-moulded the squad, bringing in younger talent to compliment an already talented group of players.

That determination to re-shape the squad in that way was done with the belief that a no-fear attitude would see the club thrive on the pitch against the odds and so it proved.

Review of the business (continued)

With the supporters firmly backing the squad and the management, everybody came together as one and there were some superb days, none more so than the Bristol Street Motors Trophy final at Wembley Stadium when over 20,000 fans made the journey to the capital to see Academy graduate Harrison Burrows net twice, including an unforgettable last-minute winner to overcome Wycombe Wanderers.

After success in the competition back in 2014, it was great that ten years on, the team could once again provide memories that will last a lifetime for the staff, sponsors and supporters. In the FA Cup, after tense victories against Salford City and Doncaster Rovers, we welcomed Leeds United to the Weston Homes Stadium, but the Championship side were too strong on the day in front of a capacity crowd here in PE2.

The team reached the play-offs for the second season running but were undone by Oxford United over two legs, who went on to achieve promotion at Wembley. We were obviously all disappointed not to get to the final, but overall, it has to be a successful campaign with silverware secured and plenty of thrills and spills on the pitch.

The Academy continues to go from strength to strength with Dan Robinson appointed into the role of Academy Director following a successful spell at Burton Albion. While performances on the pitch didn't yield consistent results in the league, there were still plenty of players that tasted first team experience across the competitions including a first start for Harley Mills and first appearances for Donay O'Brien-Brady and Will Van Lier with other Academy graduates on the bench. With the Academy now at Category Two status, the Under 21s faced regular tough opposition within their league structure, but under Ryan Semple, delivered some impressive results.

The Peterborough United Women had a successful campaign in the 2023/2024 season, including a top three finish in the FA Women's National League Division One Midlands, obtaining their highest ever points tally and players' names appearing on the back of their shirts for the first time in the club's history. They also reached round two of the Adobe Women's FA Cup and reached the final of the County Cup. With Sam Winch now in position as General Manager there is a real desire to try and obtain promotion from the level they operate at.

The success of all of Peterborough United's football teams would not be possible without the hard work, commitment, and dedication of the team behind the scenes with the Commercial and Retail departments continue to excel with another superb return with their financial figures.

Finally, as always, we would like to thank our superb fans, sponsors, and partners for their continued support.

Going concern

At the balance sheet date the Company is in a net liability position. The Company's business activities combined with factors likely to impact future development, performance and position have been considered by the Board and continues to be reviewed in line with forecasts which extend beyond a year from the date of approval of this report.

The Board acknowledges their requirement to prepare the statutory financial statements on a going concern basis unless it is inappropriate to presume the Company will continue to be in business. Details of the Board's assessment of going concern is set out in note 1.2 of the financial statements.

Closing Summary

With the departures of Harrison Burrows, Josh Knight, Ronnie Edwards and Ephron Mason-Clark in the summer, a rebuild began. Our league results have been disappointing and at the time of writing, we sit in 15th position.

However, fans were treated to an away trip at Everton in the 3rd round of the FA Cup in front of 40,000 fans at Goodison Park. The last chance for many to visit this iconic venue before the Toffees move to their new stadium at Bramley-Moore Dock for the 25-26 season.

In addition, we have just secured a return trip to Wembley as defending champions of the EFL Trophy - renamed the Vertu Trophy this season. A magnificent reward for the supporters, and likely to be a sell out as we face Birmingham City Football Club, who last won this trophy in 1995 when a certain Mr Barry Fry was Manager.

Closing Summary (continued)

Off the field we continue to grow and build for the future, with the introduction of a fanzone, a new retail store, and a change in catering suppliers, to name a few. All of these are increasing revenues for the Club and enhancing the matchday experience for our supporters.

On behalf of the board

D A Gore
Director

PETERBOROUGH UNITED FOOTBALL CLUB LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 JUNE 2024

The Directors present their annual report and financial statements for the year ended 30 June 2024.

Principal activities

The principal activity of the club continued to be that of a professional football club.

Results and dividends

The results for the year are set out on page 9.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

D MacAnthony	
B F Fry	
Dr J D Neale	(Resigned 22 November 2023)
R S Thompson	(Resigned 22 November 2023)
L P Mitchell	(Resigned 22 April 2024)
E A Elsom	(Appointed 22 August 2023)
D A Gore	(Appointed 22 August 2023)
I R Crawford	(Appointed 22 January 2024)
A S Harris	(Appointed 2 September 2024)
A F Lismore	(Appointed 30 April 2024)

Disabled persons

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the Company continues and that the appropriate training is arranged. It is the policy of the Company that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

Future developments

Since the year end the club has been concentrating on consolidating its position and is now focusing on a successful conclusion to the 2024-25 Sky Bet League One campaign.

Auditor

The auditor, Price Bailey LLP, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2024

Statement of Directors' responsibilities

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

So far as the Directors are aware, there is no relevant audit information of which the Company's auditor are unaware. Additionally, the Directors have taken all the necessary steps that they ought to have taken as Directors in order to make themselves aware of all relevant audit information and to establish that the Company's auditors are aware of that information.

Medium-sized companies exemption

This report has been prepared in accordance with the provisions applicable to companies entitled to the medium-sized companies exemption.

On behalf of the Board

D A Gore
Director

PETERBOROUGH UNITED FOOTBALL CLUB LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PETERBOROUGH UNITED FOOTBALL CLUB LIMITED

Opinion

We have audited the financial statements of Peterborough United Football Club Limited (the 'Company') for the year ended 30 June 2024 which comprise the Statement of Comprehensive Income, the balance sheet, the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2024 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to Note 1.2 in the financial statements, which indicates that Company incurred a net loss of £2.3m during the year ended 30 June 2024 and, as of that date, the company's current liabilities exceeded its current assets by £13.6m. As stated in Note 1.2, these events or conditions, along with other matters as set forth in Note 1.2, indicate that a material uncertainty exists that may cast a significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We have considered the nature of the sector, control environment and financial performance based on our accumulated knowledge of the Club.

We have made enquiries with those charged with governance and management, including obtaining and reviewing supporting documentation relating to:

- Identifying, evaluating and complying with laws and regulations and if they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they aware of any actual or suspected fraud;
- The internal controls established to mitigate risks of fraud or non-compliance with laws and regulations.

As a result of the above we consider key risks being inappropriate journal entries, management override and revenue recognition. We have also considered provisions of other laws and regulations that do not have a direct effect on the financial statements but could affect the the Club's ability to operate or avoid a material penalty. These include health and safety regulations, alcohol licensing and EFL and FA rules.

Our procedures to respond to risks identified included the following:

- analytical procedures are performed as well as substantive testing to identify any potential misstatement due to fraud and the audit procedures would also involve being aware of any items from discussions with staff and management;
- performing detailed transactional testing in relation to the recognition of revenue and the completeness of funding;
- reviewing board meeting minutes;
- enquiring of management in relation to actual and potential claims for litigation;
- in addressing the risk of fraud through management override of controls we have tested the appropriateness of journal entries and other adjustments and we assessed whether judgements made in accounting estimates are indicative of management bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report
This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

Company information

Peterborough United Football Club Limited is a private company limited by shares incorporated in England and Wales. The registered office is Peterborough United Football Ground, London Road, Peterborough, PE2 8AL.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1 Accounting policies **(Continued)**

1.2 Going concern and post balance sheet events

The Board of Directors are required to prepare the statutory financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The company has net liabilities of £16.6m (2023: £15.9m) and made a loss after tax in the current year of £2.3m (2023: loss of £3.5m) and has net current liabilities of £13.6m (2023: £17.8m as restated).

Day to day working capital requirements are met through existing cash and banking facilities, bank loans, investor financing and from the support of its beneficial owners by way of shareholder related loans.

To enable the Board to assess the adequacy of the financial facilities available to the company, they have used management information, including a recent review of forecasts which extend beyond one year from the date of approval of these financial statements.

The forecasts make key assumptions around season ticket sales and matchday income, football performance, overhead costs, future player sales, contingent receipts and transfer fees payable and the company's ability to secure future debt and/or equity finance, if required. Any reliance placed on the forecasts by the Board is dependent upon the above factors. At the time of preparation, the Board recognises that current projections indicate that the company will require additional funding within the next 12 months to meet its operational cash flow requirements and to facilitate loan repayments and cash requirements for other financing commitments. The assumptions made by the Board when determining the expected funding requirement do not include any contingent income relating to potential sell-on fees.

The amount of additional funding required is uncertain and the Board acknowledges that the required amounts will depend upon significant uncertainties relating to:

-the assumptions relating to the timing and amounts expected to be received in respect of player sales;

-the ongoing support of the beneficial owner, Darragh MacAnthony.

On the basis of the above, the Board acknowledges the existence of material uncertainties which may cast significant doubt over the company's ability to continue as a going concern.

The Board have obtained a letter of support from the ultimate beneficial owner, Darragh MacAnthony, confirming the intention to support the company and to provide additional loan facilities as required to meet any shortfalls that may arise from variances to the forecast cash flows. In addition, further confirmations have been provided of the intention to support the company by not demanding repayment of loans owing to Darragh MacAnthony for the foreseeable future. The level and timing of the potential cash requirements have been considered by the Board, however, they acknowledge that the letter of support is not legally binding and there is no contractual certainty that the shareholder will make available such funding, nor require repayment of the existing loans. If the support of the shareholder was required and not forthcoming, the company may not be able to raise additional funding to provide sufficient cash to enable it to meet its liabilities as they fall due. This creates a material uncertainty which may cast significant doubt over the company's ability to continue as a going concern.

Nevertheless, on the basis of the information available to the Board at the current time, the Board believe that there is a reasonable expectation that the company will have adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis of preparation in these financial statements.

1.3 Turnover

Turnover represents amounts receivable for net gate and ticket receipts, box subscriptions, television and sponsorship revenue, FA and prize money, contingent transfer fees, player loan fees, rental income and other commercial activities net of VAT. Turnover is the total amount excluding value added tax, receivable by the company in the ordinary course of business. Net gate and ticket receipts are recognised when the match is played; television and sponsorship revenue are recognised over the contract or sponsorship period; rental income is recognised over the rental period and all other income is recognised as it becomes receivable in line with the service provided.

1 Accounting policies **(Continued)**

1.4 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Playing staff	amortised over the length of the related player contract

Transfer fees are recognised in the accounting period in which the transfer is registered with the relevant football governing body except where the contract is not conditional upon registration in which case the transfer is recognised when the contract becomes unconditional (usually when payment is made or received). Payments or receipts which are contingent on the performance of team or player are not recognised until the events crystallising such payments or receipts have taken place. Contingent payments or receipts are included within cost of sales and turnover respectively. Transfer fees payable excluding contingent amounts are capitalised and shown as intangible fixed assets. This amount is then amortised over the length of the related player contract. Transfer fees receivable excluding contingent amounts are treated as a sale of the relevant intangible fixed asset.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% per annum of cost
Plant and machinery	25% per annum reducing balance
Fixtures, fittings & equipment	25% per annum reducing balance
Motor vehicles	25% per annum reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

1.6 Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.7 Stocks

Stock is valued at the lower of cost and realisable value after making any adjustments necessary for obsolete or slow moving stock.

1 Accounting policies **(Continued)**

1.8 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

1 Accounting policies **(Continued)**

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Debt instruments that do not meet the conditions in FRS 102 paragraph 11.9 are subsequently measured at fair value through profit or loss. Debt instruments may be designated as being measured at fair value though profit or loss to eliminate or reduce an accounting mismatch or if the instruments are measured and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

1.9 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.12 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to profit or loss so as to produce a constant periodic rate of interest on the remaining balance of the liability.

1 Accounting policies **(Continued)**

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leases asset are consumed.

Rental income from operating leases is recognised on a straight line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight line basis over the lease term.

1.13 Government grants

Grants are accounted for under the accruals model as permitted by FRS 102. Grants relating to expenditure on tangible fixed assets are credited to the profit and loss account at the same rate as the depreciation on the assets to which the grant relates. The deferred element of the grants is included in creditors as deferred income.

Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable.

1.14 Signing on fees

Contractual amounts of fees payable to players are recognised as prepayments and spread evenly over the contract period. The net balance of signing on fees relating to players sold is included within the calculation of profit or loss on disposal of players' contracts.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

Depreciation, amortisation and impairment

Depreciation and amortisation are recognised to write off the cost of intangible and tangible fixed assets less their residual values over their useful lives at the rates detailed in Notes 1.4 and 1.5. The provisions for amortisation and depreciation at the reporting end date are £3,267,654 and £2,142,540 respectively. Further details of the amounts provided at the beginning and end of the period, together with the charge for the year are shown in Notes 13 and 14 respectively.

Impairment of player assets is performed annually. The club carries out an assessment of the carrying value of the players against their best estimate of the individuals' fair value less any costs to sell.

Contingent Appearance Fees

The company has, under transfer agreements, a liability to pay additional sums dependent on players' attainment and any subsequent transfer value. At the year end such fees were estimated at £1,020.000 (2023: £590,000) which are not considered probable based on managements best estimates. As such no provision has been made in these financial statements.

3 Turnover and other revenue

An analysis of the company's turnover is as follows:

	2024	2023
	£	£
Turnover analysed by class of business		
Retail income	810,292	716,984
Football and commercial income	9,363,952	9,827,581
	10,174,244	10,544,565

	2024	2023
	£	£
Other revenue		
Interest income	303	12
Amortisation of government grants	147,036	146,286
Government grants received	25,000	25,000

The total turnover of the company for the period has been derived from its principal activity wholly undertaken in the United Kingdom.

4 Exceptional item

	2024	2023
	£	£
Profit on the disposal of player registrations	4,069,082	3,241,462

5 Operating loss

Operating loss for the year is stated after charging/(crediting):	2024 £	2023 £
Amortisation of government grants	(147,036)	(146,286)
Government grants	(25,000)	(25,000)
Depreciation of owned tangible fixed assets	425,859	405,942
Depreciation of tangible fixed assets held under finance leases	42,357	26,403
Profit on disposal of tangible fixed assets	-	(16,169)
Amortisation of intangible assets	1,249,806	1,372,523
Operating lease charges	611,561	567,911

6 Auditor's remuneration

Fees payable to the company's auditor and associates:	2024 £	2023 £
For audit services		
Audit of the financial statements of the company	16,500	21,000
For other services		
All other non-audit services	16,609	16,249

7 Employees

The average monthly number of persons (including directors) employed by the company during the year was:

	2024 Number	2023 Number
Playing staff	126	121
Matchday staff	86	86
Management and office	39	32
	251	239

Their aggregate remuneration comprised:

	2024 £	2023 £
Wages and salaries	6,565,632	6,872,722
Social security costs	669,569	741,033
Pension costs	106,830	132,385
	7,342,031	7,746,140

8 Directors' remuneration

	2024	2023
	£	£
Remuneration for qualifying services	326,393	264,621
Company pension contributions to defined contribution schemes	22,606	3,109
	348,999	267,730

The number of directors for whom retirement benefits are accruing under defined contribution schemes amounted to 3 (2023 - 1).

Remuneration disclosed above include the following amounts paid to the highest paid director:

Remuneration for qualifying services	181,510	221,072

9 Interest receivable and similar income

	2024	2023
	£	£
Interest income		
Interest on bank deposits	303	12

	2024	2023
Investment income includes the following:	£	£
Interest on financial assets not measured at fair value through profit or loss	303	12

10 Interest payable and similar expenses

	2024	2023
	£	£
Interest on financial liabilities measured at amortised cost:		
Other interest on financial liabilities	1,017,609	863,876
Other finance costs:		
Interest on finance leases and hire purchase contracts	12,049	9,238
Other interest	650	1,307
	1,030,308	874,421

11 Amounts written off investments

	2024	2023
	£	£
Amounts written off current loans	(46,225)	(441,049)

12 Taxation

	2024 £	2023 £
Loss before taxation	(2,317,552)	(3,532,195)
Expected tax credit based on the standard rate of corporation tax in the UK of 25.00% (2023: 19.00%)	(579,388)	(671,117)
Tax effect of expenses that are not deductible in determining taxable profit	65,479	94,896
Tax effect of utilisation of tax losses not previously recognised	(16,738)	(9,014)
Unutilised tax losses carried forward	530,647	585,235
Taxation charge for the year	-	-

The company has estimated losses of £20,897,178 (2023: £18,841,543) available for carry forward against future trading profits.

	19,758,695	17,949,542
Payable within one year	14,458,889	16,829,542
Payable after one year	5,299,806	1,120,000

19 Loans and overdrafts **(Continued)**

The company has a bank loan of £360,000 (2023: £360,000) due by 31 August 2024 with an annualised effective interest rate of 15%.

Included within other loans is £2,500,000 (2023: £2,500,000) of additional funds raised from the issue of bonds to the public in June 2022 to support capital expenditure. The bonds are unsecured and have a fixed term of 5 years, with interest paid annually from 30 September 2022 at 9%.

All outstanding bonds become immediately repayable, at the bondholders option, if any of the terms or conditions within the bond are not complied with.

Also included within other loans is £3,936,022 (2023: £1,950,050) to support working capital. These loans are secured with fixed and floating charges over the property and assets of the company. Interest is charged on these loans ranging from 14% to 16% per annum.

Furthermore, the company has loans of £650,000 (2023: £217,689) to support working capital. These loans are unsecured and interest is charged at 10%.

The company also has a Funding Agreement with a balance of £727,715 outstanding at 30 June 2024. The company has entered in to a deed of indemnity and guarantee as continuing security as part of the agreement.

Details of loans from related parties is disclosed in Notes 26 and 27.

20 Finance lease obligations

Future minimum lease payments due under finance leases:	2024 £	2023 £
Within one year	24,877	20,710
In two to five years	114,774	139,651
	139,651	160,361

Finance lease payments represent rentals payable by the company for certain items of plant and machinery. Leases include purchase options at the end of the lease period, and no restrictions are placed on the use of the assets. The average lease term is 4 years. All leases are on a fixed repayment basis and no arrangements have been entered into for contingent rental payments.

The net obligations under finance leases are secured by fixed charges on the assets concerned.

21 Government grants

	2024	2023
	£	£
Arising from government grants	918,434	1,065,470
Deferred income is included in the financial statements as follows:		
Current liabilities	147,036	147,036
Non-current liabilities	771,398	918,434
	918,434	1,065,470

The Club was awarded a government grant in 2021 for £1,470,000 which was fully utilised by 2022. The purpose of the grant was to enhance grassroots football and football training facilities within the Cambridgeshire region, but with a particular focus on Peterborough and the surrounding areas. The Club also received £90,000 in 2022/23 from the EFL's Stadia and Facility Improvement Fund to cover costs incurred in the stadium. The grants, recognised as deferred income, are being amortised over the useful life of the expenditure incurred.

During the year the Club also received grant income totalling £25,000 (2023: £25,000) from the FA to help develop the Emerging Talent Centre for the Women's game. This was included in 'other operating income' when it became receivable.

22 Retirement benefit schemes

	2024	2023
Defined contribution schemes	£	£
Charge to profit or loss in respect of defined contribution schemes	106,830	132,385

The company operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the company in an independently administered fund.

At the end of the year	(21,505,377)	(19,187,825)

26 Operating lease commitments

Lessee

At the reporting end date the company had outstanding commitments for future minimum lease payments under non-cancellable operating leases, which fall due as follows:

	2024	2023
	£	£
Within one year	625,123	475,439
Between two and five years	2,124,285	1,615,348
In over five years	4,103,843	4,422,833
	6,853,251	6,513,620

27 Financial commitments, guarantees and contingent liabilities

Loans from related parties

In November 2023, a settlement was reached between the company and Old Kent Road Financial Ltd ('the lender') in respect of outstanding liabilities relating to a secured term loan agreement. This debenture is registered at Companies House and provides security by way of a charge on the company's assets and the right to appoint an administrator in the event of default.

Included in 'loans from related parties' per Note 19 is an amount owing to the lender at 30 June 2024 of £5,564,490. In accordance with a Deed of Variation signed in November 2023, a settlement was reached for the company to pay an amount of £5,864,490 to repay this loan over the next 4 years. In the event of default, the company would have a potential liability of £7,377,305. This amount has not been recognised in the accounts as the Board are under the view that default will not arise.

Also included in 'loans from related parties' per Note 19 is an amount owing to Kelgary Sports & Entertainment Ltd. It was agreed that Kelgary Sports & Entertainment Ltd would waive its entitlement to repayment of the loan. The amounts waived are dependent upon DMA Holdings SA making payments due to Old Kent Road Financial Ltd as set out in the agreement dated November 2023. During the year there have been loan waivers of £1,605,000. These waivers have been classed as a capital contribution as detailed in the statement of equity. DMA Holdings SA has provided security for all amounts owed to Old Kent Road Financial Ltd.

Other

The company has financial commitments under contract for hardware support and maintenance of pitches at the main ground and academy. The financial commitment amounts to £494,656 as at 30 June 2024.

The company may receive, under transfer agreements, further amounts for players already sold dependent on whether these players are sold on again for a profit. No reliable estimate can be made of the likelihood of these players being transferred or their potential transfer values.

The company has, under transfer agreements, a liability to pay additional sums dependent on players' attainment and any subsequent transfer value. At the year end such fees were estimated at £1,020,000 (2023: £590,000) to be payable by the company.

No provision has been made in these accounts for such liabilities as management do not consider the above estimate to be reliable as player attainments may not be achieved and therefore the payment may never crystallise.

The company is also awaiting the outcome of the Sheldon review in to a number of historic cases. The Directors believe that the Club may have a maximum liability in of £50,000 in respect of this review. No provision has been made in these financial statements.

28 Related party transactions

Transactions with related parties

	(17,938,354)	(1,668,340)	(19,606,694)

33 Prior year adjustment

In the Statement of Financial Position, for the year ended 30 June 2023, a related party loan was incorrectly presented as creditors: amounts falling due after more than one year. This presentational error has been corrected in these financial statements, by way of reclassifying a balance of £5,310,024 from creditors due after more than one year to creditors due within one year in accordance with the terms of the loan.

Whilst this reclassification increases the net current liability position for the year ended 30 June 2023 from £12,458,319 to £17,768,343, there is no change to the net assets as at 30 June 2023. Furthermore, there is no impact from this correction on the Statement of Comprehensive Income, the Statement of Changes in Equity, or the Statement of Cash Flows.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
