STRATEGIC REPORT
FOR THE PERIOD 1 JUNE 2023 TO 30 JUNE 2024

The directors present their strategic report for the period 1 June 2023 to 30 June 2024.

REVIEW OF BUSINESS

Sporting Results

In 2023/2024, the Club competed in SkyBet League One for the second consecutive season. 76 points secured a sixth-place finish and participation in the play-offs. The team lost 5-4 on aggregate to Bolton over two legs at the semi-final stage.

The Board would like to thank all supporters and sponsors, new and old, for their continued support throughout the season.

Financial Results

The financial statements cover the 13-month period 1 June 2023 to 30 June 2024. The extended period ensures that the financial year end is co-terminus with the standard player's contract.

Turnover fell by £0.5m from the previous season. Contributing factors include not progressing to the playoff final, as in the previous season, and the moving to an outsourced merchandise retail model.

Sponsorship & advertising have increased by 40% from £564k to £788k and catering has increased by 26% from £637k to £802k.

Average league match attendances increased by 1,117 (10%) to 12,681 (11,564 in 2022/2023).

£6.8m of profit was generated from the sale of players during the season. The cash received from these transfers will be received over multiple instalments and seasons.

An operating loss of £9.7m was incurred for the 13-month period, mitigated by player trading to give a net loss for the financial period of £2.8m.

During the financial period £4.2m of cash was injected into the Club by the shareholders as equity.

FUTURE OUTLOOK

Post Year End

The 2025/2026 season will see amendments to the EFL's Salary Cost Management Protocol (SCMP) rules, in an attempt to stem growing financial losses in Leagues One and Two. Various changes will be implemented, including placing limits on the amount of owner equity permitted to be used on players.

The Football Governance Bill continues to make its way through the legislative process within the Houses of Lords and Commons. It is hoped that the establishment of an Independent Regulator (IREF) and the commissioning of a 'State of the Game' report will be a step forward in ensuring more equitable financial distributions across the football pyramid.

STRATEGIC REPORT
FOR THE PERIOD 1 JUNE 2023 TO 30 JUNE 2024

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risks and uncertainties facing the Club are:
- The material impact on revenue dependent on divisional status.
- Cash management within the constraints of available working capital.
- A lack of influence on the principal revenue streams relating to central broadcasting contracts.
- Increasing costs of energy, food, fuel and labour costs, affecting both the Club's available resources and the economic position of supporters and partners locally and nationally.

KEY PERFORMANCE INDICATORS

The Board of Directors use a variety of financial and non-financial measures to monitor performance. Actual revenue, costs and cashflows are regularly monitored against detailed budgets and forecasts.

ON BEHALF OF THE BOARD:

Mr R Zuk - Director

26 March 2025

REPORT OF THE DIRECTORS
FOR THE PERIOD 1 JUNE 2023 TO 30 JUNE 2024

The directors present their report with the financial statements of the company for the period 1 June 2023 to 30 June 2024.

PRINCIPAL ACTIVITY
The principal activity of the company in the period under review was that of a professional football club.

DIVIDENDS
No dividends will be distributed for the period ended 30 June 2024.

DIRECTORS
The directors shown below have held office during the whole of the period from 1 June 2023 to the date of this report.

Mr R Zuk
Mr J P Cryne
Mr N A Parekh
Mrs J E Cryne
Ms J A K Quay

Other changes in directors holding office are as follows:

Mr K El-Ahmad - resigned 13 December 2023
Mr J P Flatman - appointed 29 April 2024
Mr M Sormaz - appointed 29 April 2024

EMPLOYMENT OF DISABLED PERSONS
Applications for employment by disabled persons are always fully considered. In the event that a member of staff becomes disabled, every opportunity is made to ensure that their employment continues. It is the policy of the company to ensure that the employment of disabled persons is, as far as possible, identical to the employment of other employees.

ENGAGEMENT WITH EMPLOYEES
The company policies are designed to attract, retain and motivate the best employees. The company involves all employees through regular communication to understand the current performance and future developments.

REPORT OF THE DIRECTORS
FOR THE PERIOD 1 JUNE 2023 TO 30 JUNE 2024

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

AUDITOR

The auditors, Xeinadin Audit Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

ON BEHALF OF THE BOARD:

Mr R Zuk - Director

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BARNSLEY FOOTBALL CLUB LIMITED

Opinion

We have audited the financial statements of Barnsley Football Club Limited (the 'company') for the period ended 30 June 2024 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2024 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page five, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company that were contrary to applicable laws and regulations, including fraud. We design audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to the Companies Act 2006. Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management. We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. The risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BARNSLEY FOOTBALL CLUB LIMITED

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 1 JUNE 2023 TO 30 JUNE 2024

1. GENERAL INFORMATION

Barnsley Football Club Limited is a private company, limited by shares, registered in England and Wales.

The company's registered number and registered office address can be found on the company information page.

The financial statements are prepared in sterling which is the functional currency of the entity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements have been set out below.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements
These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Change of accounting reference date
The company's accounting reference date has been extended to 30 June 2024, which covers a 13 month period.The 2023 figures within the financial statements cover a 12 month period and as such may not be directly comparable.

Going concern
The company made a financial loss for the year of £2,844,894 (2023 - £4,008,082) and has net current liabilities of £379,473 (2023 - £266,166 net current assets) at the year end.

The directors are required to consider whether the company can continue its operational existence for the foreseeable future, that is at least 12 months from the date of signing this report. In assessing the appropriateness of the going concern assumption, the Directors have reviewed detailed forecasts and projections, which consider all reasonably potential scenarios and uncertainties in relation to income and funding from all sources and associated expected future outgoings.

Based on these forecasts the Club can meet its liabilities as they fall due and the Directors have concluded that it is appropriate for the financial statements to be prepared on a going concern basis.

continued...

2. **ACCOUNTING POLICIES - continued**

Significant judgements and estimates
In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision only affects that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The directors do not believe there are any material judgements or sources of estimation uncertainty that require disclosure.

Turnover
Turnover comprises income receivable from football and related commercial activities, exclusive of VAT.

Gate receipts and other match day revenue are recognised as the games are played.

Central distributions and solidarity payments from the Football League and the Premier League are recognised evenly over the course of the financial year.

Revenue derived from season tickets is credited to income in the period to which it related. Amounts received in advance are credited to accruals and deferred income in the Balance Sheet.

Sponsorship, advertising and similar commercial income is recognised over the duration of the respective contracts. Amounts received in advance are credited to accruals and deferred income in the Balance Sheet.

Players' registrations
The costs associated with the acquisition of players' registrations are capitalised as intangible fixed assets. These costs are amortised in equal annual instalments over the period of the respective players' contract. Players' registrations are written down for impairment when the carrying amount exceeds the amount recoverable through use or sale. Any transfer fees payable as a result of the occurrence of one or more uncertain future events are capitalised when it is probable such event will occur.

continued...

2. **ACCOUNTING POLICIES - continued**

Tangible fixed assets
Tangible fixed assets are stated at cost or valuation less accumulated depreciation. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or if held under finance lease, over the lease term, whichever is the shorter.

Freehold property	- Straight line over 3 to 10 years
Plant and machinery	- Straight line over 3 to 10 years
Fixture and fittings	- Straight line over 3 to 10 years
Motor vehicles	- Straight line over 3 to 4 years

Stocks
Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Cost is calculated using the first-in, first-out formula. Provision is made for damaged, obsolete and slow-moving stock where appropriate.

Financial instruments
The company has elected to apply the provisions of Sections 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Taxation
Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2. **ACCOUNTING POLICIES - continued**

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs

The company contributes to the Football League Limited Pension and Life Assurance Scheme, a multi-employer defined benefit pension scheme operated on behalf of all league clubs. The pension costs charged in the financial statements represent the contributions paid by the company and adjustments for actuarial revaluations.

The company also paid into employees personal pension schemes. The annual contributions payable are charged to the profit and loss account.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

9. TAXATION

No liability to UK corporation tax arose on ordinary activities for the period ended 30 June 2024 nor for the year ended 31 May 2023.

Estimated tax losses available for set-off against future trading profits amounts to approximately £22,799,003 (2023 £19,814,187). This estimate is subject to the agreement of the current year corporation tax computation with HM Revenue & Customs.

10. DEFERRED TAX

A deferred tax asset of £5,699,750 (2023 - £3,764,886) has not been recognised in respect of tax losses, as recoverability of these losses is not considered certain given the historic performance and budgets for the coming years. A deferred tax liability of £94,809 (2023 - £44,161) in respect of accelerated capital allowances has also not been recognised due to the significant tax losses available.

21. EMPLOYEE BENEFIT OBLIGATIONS

The company contributes to the Football League Limited Pension and Life Assurance Scheme, a defined benefit pension scheme operated on behalf of all league clubs. Under section 28 of FRS 102 the scheme would be treated as defined multi-employer benefit scheme. The assets of the scheme are held separately from those of the company, being invested with insurance companies. Sufficient information is not available for full disclosure.

Following a review of the Minimum Funding Requirement of the scheme, accrual of benefits of the final salary section of the scheme was suspended as at 31 August 1999. In light of the exceptional circumstances affecting the scheme, the trustees of the scheme commissioned an independent actuary's report on the Minimum Funding Requirement position and a substantial deficit was identified. Under the pensions act 1985, participating employers will be required to contribute to the deficit.

The latest actuarial valuation of the scheme was carried out as at 1 September 2023, as such the charge to the profit and loss in the period was £31,483 (2023: £27,651). The deficit was being repaid in monthly instalments of £2,448 from 1 September 2023, increasing to £2,511 per month from 1 September 2024 following the most recent actuarial valuation. Monthly repayments are due to increase by a further 5% p.a from 1 September 2025.

22. ULTIMATE PARENT COMPANY

The parent company of the entity is BFC Investment Company Ltd, a company registered in Hong Kong. Company registration number 2542075.

23. CONTINGENT LIABILITIES

Under the terms of certain contracts for the purchase of players' registrations future payments may be due if certain conditions arise after 30 June 2024. The directors have taken the view that these amounts are not certain enough to be recorded as provisions, but note that the maximum amount that could be payable in relation to these items and other contingent liabilities is £2,021,500 (2023 - £1,630,200).

24. RELATED PARTY DISCLOSURES

Included in other creditors are amounts totalling £2,750,000 (2023: £3,000,000) due to Oakwell Holdings Limited, a company with mutual directors.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
