STRATEGIC REPORT
for the Year Ended 30 June 2025

The directors present their strategic report for the year ended 30 June 2025.

REVIEW OF BUSINESS

Results for the year
The Company incurred losses of £398k (2024: £8.22m), after profits on sale of players of £7.56m (2024: £749k).

The Directors and Senior Management Team aspire to utilise the resources at its disposal at any point in time to achieve the highest possible league position and success in cup competitions for the Men's First Team, whilst at the same time employing prudent financial management to ensure a stable future. The Academy has been a key element of our identity and to our on-field performance and therefore investment into the Academy operations is a crucial element of our strategy.

As part of the long-term player-trading strategy, the transition of Academy players to the Men's First Team will help reduce expenditure on player transfers and create organic growth within our player-trading model, with the intention of increasing the strength and depth and monetary value of the squad over time. We will continue to invest in player recruitment resources, to ensure that we can attract and retain the best football talent available, within an agreed budget.

KEY PERFORMANCE INDICATORS

Key performance indicators are used by the Directors and Senior Management Team to measure and evaluate the Company's performance and to monitor its various activities. The principal key performance indicators employed by the Company are:-

	2025 £m	2024 £m
Turnover	7.3	9.2
Staff costs	(9.9)	(11.7)
Operating loss	(8)	(9)
Profit on sales of players registrations	7.6	0.7
Net loss before taxation	(0.4)	(8.2)
Shareholders' funds	(13.8)	(13.4)
	2025 Numbers	**2024 Numbers**
Average league attendance	9,946	10,507
Final League position	15th	12th

Docusign Envelope ID: 7EEC9529-D436-4716-B3C5-336B747ED70A

PRINCIPAL RISKS AND UNCERTAINTIES

The Company is responsible for continually assessing the risks applicable to the business, with the key risk always being the uncertainty of achieving football success on the field and the consequential significant impact on revenue from central distributions, sponsorship and ticketing.

The Company seeks to reduce and de-risk this uncertainty by:

- Utilising modern player recruitment techniques to attract the best players within our resources;
- Continued investment into the Club's Academy to assist the progression of young talented players to the First Team; and
- Utilising up-to-date analysis and performance measurement tools to assist coaching staff to achieve the best results possible.

Other risks, including financial constraints, commercial and health and safety issues are managed via regular internal management meetings, the use of professional advisors and information and advice received from the Football Association and The EFL. The company works to ensure that every match held at The Brick Community Stadium fully meets all the health and safety criteria for the operation of football grounds.

Financial risk management

The Company is exposed to financial risk through its ability to successfully manage its financial assets and liabilities with the key financial indicator being cash flow: the ability to control a positive cash balance and generate proceeds greater than obligations arising from liabilities as they fall due. The other components of the Company's financial risk are interest rate risk and currency risk.

The Company addresses cash flow risk by carefully managing its working capital inflows and outflows and ensuring, via regular updating of its forecasts, that the necessary facilities are available to finance the working capital position from funding from its ultimate parent company, Community Holdco 2023 Ltd.

The Company does not consider that the size of its interest rate exposure warrants the hedging of potential interest rate charges, particularly in view of the current relative lack of volatility in interest rates. The Company is exposed to occasional foreign currency exchange risks through its player transactions but does not hedge against this risk because of the infrequency/size of the transactions.

REPORT OF THE DIRECTORS
for the Year Ended 30 June 2025

The directors present their report with the financial statements of the company for the year ended 30 June 2025.

PRINCIPAL ACTIVITY
The principal activity of the company in the year under review was that of a professional football club.

DIVIDENDS
No dividends will be distributed for the year ended 30 June 2025.

DIRECTORS
The directors shown below have held office during the whole of the period from 1 July 2024 to the date of this report.

B J Goodburn
L W Danson

Other changes in directors holding office are as follows:

S Guilfoyle - appointed 30 January 2025
B Spencer - appointed 30 January 2025

GOING CONCERN
The company is dependent on continued financial support from its ultimate controlling party Mr M Danson, who has ultimate control by way of his shareholding in Community Holdco 2023 Limited, the parent company of Wigan Athletic A.F.C. Limited.

Mr M Danson has confirmed he will support the company financially, through unsecured loan monies for a period of at least 12 months from the date of these accounts.

On this basis, together with recent trading results and forecasts, the directors and management consider it appropriate to prepare the financial statements on the going concern basis.

COMPANY'S POLICY ON EMPLOYEES
The company is committed to ensuring that it complies with all relevant legislation, in connection with unlawful or unfair discrimination of any kind in its business.

It is the company's policy to provide opportunities for disabled persons to have a meaningful employment in the business and to make its facilities available to disabled supporters as far as possible, within the constraints of a concern for the health and safety of all its staff and customers.

Regular meetings are held involving directors and management to convey information to employees regarding company performance and other factors affecting the business.

REPORT OF THE DIRECTORS
for the Year Ended 30 June 2025

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF WIGAN ATHLETIC A.F.C. LIMITED

Opinion

We have audited the financial statements of Wigan Athletic A.F.C. Limited (the 'company') for the year ended 30 June 2025 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Notes to the Statement of Cash Flows, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2025 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty relating to going concern

In auditing the financial statements, we have concluded that the directors use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

We draw your attention to note 2 in the financial statements, which details the measures that have been taken to alleviate the operating losses and address the working capital requirements of the company in 2025/26 and 2026/27. Whilst the directors believe the company has adequate resources to continue in operational existence for the foreseeable future, it remains reliant upon the continued financial support of its ultimate controlling party, Mr M Danson. These conditions indicate that a material uncertainty exists relating to going concern. Our opinion is not modified in respect of this matter.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Docusign Envelope ID: 7EEC9529-D436-4716-B3C5-336B747ED70A

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF WIGAN ATHLETIC A.F.C. LIMITED

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page five, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Docusign Envelope ID: 7EEC9529-D436-4716-B3C5-336B747ED70A

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- we identified the laws and regulations applicable to the company through discussions with directors and other management, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on it's operations. Key laws and regulations that we identified included the UK Companies Act, tax legislation, employment legislation, Health and Safety and hygiene regulations. Additionally the company is subject to the EFL regulations, specifically FFP regulations.

- we enquired of the directors and reviewed correspondence with HMRC for evidence of non-compliance with laws and regulations. We also reviewed controls the directors have in place to ensure compliance.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and

- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

- performed analytical procedures to identify any unusual or unexpected relationships;

- tested journal entries to identify unusual transactions;

- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias.

- we reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above;

- we enquired of the directors about actual and potential litigation and claims.

Due to inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing fraud or non-compliance with laws and regulations and cannot be expected to detect all fraud and non-compliance with laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF WIGAN ATHLETIC A.F.C. LIMITED

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 30 June 2025

1. STATUTORY INFORMATION

Wigan Athletic A.F.C. Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements
These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

These financial statements have been prepared on the basis that the company continues to be a going concern.

The following actions have been taken by the directors to manage the working capital requirements of the company:

- Profit and Loss and cashflow forecasts have been completed for the years ending 2025/26 and 2026/27, which indicate that, subject to the amount of player purchases and sales, any pre taxation losses will be capable of being financed by funding provided by the ultimate controlling party Mr M Danson, who has confirmed his continuing financial support for the foreseeable future.

On this basis, the directors believe the company has adequate resources to continue in operational existence for the foreseeable future. The directors consider it is reasonable to rely on the funding from the ultimate controlling party to provide the working capital requirements for the company and it is therefore appropriate to prepare the financial statements on a going concern basis.

The financial statements include the results of the company's principal activity described in the report of the directors, which is continuing.

Judgements and sources of estimation uncertainty
Preparation of the financial statements requires management to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made include:

Judgements
(a) Impairment of fixed assets
The carrying amount of the company's assets are reviewed annually to determine whether there is any indication of impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount.

(b) Useful economic lives
The useful economic lives of fixed assets are assessed on an annual basis based on the latest available information. Management believe that the useful economic lives being used currently are still appropriate.

Turnover
Turnover represents income receivable from the company's principal activity of operating a professional football club and is net of value added Tax. Match day revenue is recognised over the period of the football season as games are played. Sponsorship and similar commercial income are recognised over the period of the respective contract. The fixed element of broadcasting revenues and other central distributions are recognised over the duration of the football season whilst facility fees for live coverage or highlights are recognised as games are played.

Goodwill
Goodwill is recognised at initial cost and is being amortised over the estimated useful life which is deemed to be 10 years.

2. ACCOUNTING POLICIES - continued

Player registration fees, signing on fees and agent fees
Transfer fees for player registrations are capitalised as intangible fixed assets and are amortised on a straight line basis over the period of the respective player contracts.

The net book value of player registrations are assessed on an annual basis and any impairment losses arising are recognised in the financial statements in the period in which they arise. Any estimated surpluses arising are not accounted for. The profit or loss arising on the sale of a player registration is calculated after charging any unamortised registration fees and any further fees which become payable as a result of the sale.

Player signing on fees are recognised in the financial statements as salaries and wages in the period during which the payment has been made.

Agents fees are expensed to the financial statements in the accounting period in which they are incurred.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Long leasehold property	- over the period of the lease
Fixtures and fittings	- 10% on cost
Motor vehicles	- 20% on cost
Computer equipment	- 20% on cost

Tangible fixed assets are stated at cost less depreciation and any impairment losses.

Impairment of tangible fixed assets
At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the recoverable amount is lower, the carrying amount of the asset is reduced to its recoverable amount and an impairment loss is recognised immediately in the profit or loss.

If an impairment loss is subsequently reversed, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not to exceed the amount that would have been determined had no impairment loss been recognised for the asset in prior periods. A reversal of an impairment loss is recognised immediately in the profit or loss.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Financial instruments
Short term financial assets, including trade debtors and debtors arising from player transfers, are measured at transaction price less any impairment.

Short term financial liabilities, including trade creditors and creditors arising from player transfers are measured at transaction price.

Financial assets and liabilities payable after one year are initially measured at fair value and are subsequently measured at amortised cost using the interest rate method.

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Leases

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Repairs and ground maintenance

All expenditure is written off as incurred.

3. TURNOVER

The turnover and loss before taxation are attributable to the one principal activity of the company.

An analysis of turnover by class of business is given below:

	2025	2024
	£	£
Premier League distributions	801,000	778,500
EFL central distributions	1,484,338	1,371,627
Sponsorship, commercial	1,085,742	1,594,484
Match/Season/Cup Tickets	2,111,705	2,378,645
Stadium hire/rental charges	-	821,697
Academy grants	847,640	831,025
Retail income	489,013	704,355
Other income	96,703	367,778
Cup broadcasting	54,750	220,000
Cup prize money	280,000	178,000
	7,250,891	9,246,111

4. EMPLOYEES AND DIRECTORS

	2025	2024
	£	£
Wages and salaries	8,901,841	10,498,218
Social security costs	845,381	1,116,076
Other pension costs	105,579	105,981
	9,852,801	11,720,275

The average number of employees during the year was as follows:

	2025	2024
First team players	22	27
Academy players	36	38
Coaching and medical staff	16	18
Academy coaching and medical staff	60	58
Administration and support staff	61	73
Matchday staff	55	61
Ladies team	7	-
	257	275

During the year, all matchday employees were transferred to Wigan Sporting Events Ltd, a sister company.

	2025	2024
	£	£
Directors' remuneration	55,212	-

5. PROFIT ON SALE OF INTANGIBLE FIXED ASSETS

	2025	2024
	£	£
Profit on sale of intangible fixed assets	7,565,259	748,978

6. LOSS BEFORE TAXATION

The loss is stated after charging:

	2025	2024
	£	£
Other operating leases	278,164	258,607
Depreciation - owned assets	84,530	146,604
Goodwill amortisation	43,086	43,086
Player & management registration fees amortisation	203,146	480,658
Auditors' remuneration	17,500	16,500

7. TAXATION

Analysis of the tax charge
No liability to UK corporation tax arose for the year ended 30 June 2025 nor for the year ended 30 June 2024.

Reconciliation of total tax charge included in profit and loss
The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2025	2024
	£	£
Loss before tax	(397,675)	(8,225,313)
Loss multiplied by the standard rate of corporation tax in the UK of 25% (2024 - 25%)	(99,419)	(2,056,328)
Effects of:		
Expenses not deductible for tax purposes	3,646	16,000
Fixed asset differences	716	-
Movement in deferred tax not recognised	95,057	2,040,328
Total tax charge	-	-

A deferred tax asset has not been recognised in respect of timing differences relating to tax trading losses as there is insufficient evidence that the asset will be recovered. The amount of the asset not recognised is £7,517,071 (2024 - £7,422,014), calculated at the tax rates expected to apply at a point in the future if timing differences do then reverse. The asset could be recovered if sufficient taxable trading profits arose in the future.

14. LOANS

An analysis of the maturity of loans is given below:

	2025	2024
	£	£
Amounts falling due within one year or on demand:		
Shareholder loan	19,333,593	15,617,250

15. CALLED UP SHARE CAPITAL

Allotted, issued and fully paid:

Number:	Class:	Nominal value:	2025 £	2024 £
16,493,459	Ordinary	£1	16,493,459	16,493,459

16. RESERVES

	Retained earnings £
At 1 July 2024	(29,878,872)
Deficit for the year	(397,675)
At 30 June 2025	(30,276,547)

The retained earnings reserve includes all current and prior period retained profits and losses.

17. CONTINGENT LIABILITIES

There are contractual obligations to pay players and management staff dependent on future performance criteria which have not been provided for in these accounts. Performance related payments are recognised in the financial statements in the period in which the criteria are met. The terms of certain contracts with other football clubs in respect of players' transfers include the payment of additional amounts upon fulfilment of specific conditions in the future. Such amounts are not recognised in the financial statements until the specific conditions are fulfilled. The maximum unprovided liability amounts to £125,000 (2024 - £175,000).

18. RELATED PARTY DISCLOSURES

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

During the year loans of £3,716,343 (2024 - £9,879,000) have been received from Mr M Danson, the ultimate controlling party. As at the year end an amount of £19,333,593 (2024 - £15,617,250) is included in creditors as a shareholder loan.
