ROTHERHAM UNITED FOOTBALL CLUB (RUFC) LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 30 JUNE 2025

The directors present the strategic report for the year ended 30 June 2025.

Review of the business and future developments

The 2024/25 season marked Rotherham United's 100th season in existence, played in League One following relegation from the Championship. The club's primary objective was to stabilise operations and begin rebuilding both on and off the pitch to ensure a return to Championship football in the future.

While relegation inevitably reduced central and matchday revenues, the club has remained focused on prudent cost management, long-term squad development, and maintaining strong community engagement.

Turnover including income from player trading: £10.52m (2024: £19.17m). The main reductions being Central Funding (down 59%) and Player Trading (down 89%).

Gross Margin is a loss of £1.28m (2024: £2.78m profit) reflecting reduced income and wage pressures of competing in League One

Admin Expenses were £3.37m (2024: £4.48m).

Reported loss before tax is £4.65m (2024: £1.70m loss).

Principal risks and uncertainties

Business risk

The club's revenues are highly dependent on on-pitch performance. Relegation has resulted in lower broadcasting and sponsorship income, though continued fan loyalty has cushioned the impact.

The club will continue to focus on financial health, balancing investment in players and facilities against mandatory increased costs. The club will continue to manage costs through stringent financial planning.

In order to compete in highly competitive leagues, significant and continued investment is required in the playing squad. Acquisition of new players and renewal of current key player contracts is essential to the long term playing and financial health of the club. Our existing squad includes a mix of domestic and international players . Recruitment of international players comes with visa and work permit issues which are mitigated by working closely with our legal partners to navigate the process. We will need to continue to widen our search for new talent using data analysis and increased scouting in the UK and Europe.

A major risk for the club is the potential loss of crucial staff, especially during a turbulent season. We will continue to offer competitive contracts and incentives to retain talent, ensuring a positive working environment.

With rising inflation and increases in minimum wage the club will need to continue to budget carefully to accommodate these increases without compromising investment in players. Streamlining operations and using technology for efficiency (eg digital ticketing and automation) could help manage these costs.

Ensuring fan safety is a critical issue and the growing trend towards safe standing areas, which allows fans to stand during a match , can raise additional risks if not properly managed. Effective crowd control , appropriate stewarding and compliance with health and safety standards are paramount. The club must continue to work with steward partners to ensure stewards are trained and maintain strong relationships with local authorities. Additionally technology (ie cctv) and monitoring of ticket sales may help identify risks early.

Changes in governments and legislation can have a significant implications for the club, especially with regards to finance, employment, safety standards and infrastructure. To remain resilient the club will continue to be proactive in monitoring policies and adapting accordingly.

Compliance with the Football League regulations is a key area for the club. Company performance will continue to be monitored in order to comply with the financial constraints of the regulatory framework.

Credit risk

The company's credit risk is relatively low and is mainly attributable to its trade debtors. Credit risk is managed by running credit checks on new customers and by monitoring payments against contractual arrangements. Through conducting regular reviews the company can minimise the risk of exposure.

Liquidity risk

The company is financed by a mixture of central league funding, support from the club's sponsors and revenues raised through the normal business activities. Managing the company's cash and borrowings efficiently reduced the company's exposure to adverse interest expense.

Key Performance Indicators

The financial performance of the company is monitored against budget prepared by management. The Club works within the guidelines set by EFL Football League, in the Championship this is Profit & Sustainability.

	2025	2024	Change	Change
	£k's	£k's	£k's	%
Income				
First Team	3,273	8,703	-5,430	-62.4%
Academy*	545	538	7	1.2%
Total Funding	3,818	9,241	-5,424	-58.7%
Match Day Income	909	1,135	-226	-19.9%
Season Tickets	1,613	1,744	-131	-7.5%
Total Match Receipts	2,521	2,879	-358	-12.4%
Sponsorship, Advertising & Hospitality	2,966	3,232	-266	-8.2%
Merchandising & Other Match Day	818	836	-18	-2.1%

Other Player Trading	271	2,542	-2,271	-89.3%
Other grants	122	86	36	41.6%
Total Income	10,519	19,173	-8,654	-45.1%
Profitability				
Profit/(Loss) After Tax	4,650	-1699	-2,951	-173.6%

Net current assets are -£9,435k (-£4,785k 2024).

Main movements in the company's balance sheet are decreased debtors by £692k from £2,001k to £1309k. This includes football debtors £830k (£1,651k 2024).

Total Creditors are £11,918k (£8,839k 2024). Included in Creditors football creditors £314k (£907k 2024). Also included in creditors is a group loan from ASD Lighting Plc £9,468k (£5,205k 2024).

Other information and explanations

Non-financial performance is benchmarked against other Clubs and used in setting targets for the following season:

	2025	2024	Change	Change
Average League Attendance	9,328	10,677	-1,349	-12.60%
Season Tickets Sold	6,668	7,225	-557	-7.70%

A huge thank you to our returning season ticket holders and fans that supported us on a match by match basis.

Future Developments

The directors remain focused on strengthening our league status through academy investment, scouting, prudent financial management, and community engagement.

The club also looks forward to the Government's planned intervention through the forthcoming White Paper on football governance. We welcome the changes this will bring, including greater financial regulation, improved oversight, and measures aimed at levelling the financial playing field between clubs. These reforms are expected to create a fairer, more sustainable environment in which clubs like ours can thrive without disproportionate disadvantage compared to those with parachute payments or significant external investment.

Additionally, as we mark our centenary, the club is proud to celebrate 100 years of history and looks forward to sharing its centenary celebrations with fans, sponsors, and the local community. These celebrations provide an opportunity to honour our heritage, recognise the support of generations of fans, and inspire the next century of success both on and off the pitch.

On behalf of the board

ROTHERHAM UNITED FOOTBALL CLUB (RUFC) LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 30 JUNE 2025

The directors present their annual report and financial statements for the year ended 30 June 2025.

Principal activities
The principal activity of the company continued to be that of a football league club and is unchanged from the previous years.

Directors
The directors who held office during the year and up to the date of signature of the financial statements were as follows:

A R Stewart
R P Stewart
K Thomas

Results and dividends
The results for the year are set out on page 10.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

Inclusion and Anti-Discrimination Statement of Commitment
Rotherham United Football Club (RUFC) Ltd is a diverse organisation that values difference and recognises that people with different backgrounds, skills, attitudes and experiences bring fresh ideas and perceptions. Rotherham United Football Club (RUFC) Ltd take great care to treat each individual as a person in their own right, with equal rights and responsibilities to any other individual, whether they are an adult or a child. We are committed to providing equality of opportunity and anti-discriminatory practice for all players, officials, staff, fans, members of the community, partners and other stakeholders according to their individual needs. Discrimination on the grounds of sex, age, race, religion or belief, marriage or civil partnership, disability, sexual orientation, gender reassignment, pregnancy or maternity, ethnic or national origin or political belief has no place within the Club

Qualifying third party indemnity provisions
The company has made qualifying third party indemnity provisions for the benefit of its directors during the year. These provisions remain in force at the reporting date.

Future developments
The future developments of the company are discussed in the Strategic Report.

Auditor
In accordance with the company's articles, a resolution proposing that Buckle Barton Limited be reappointed as auditor of the company will be put at a General Meeting.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2025

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

In so far as the directors are aware:

- there is no relevant audit information of which the company's auditor is unaware and;
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

On behalf of the board

ROTHERHAM UNITED FOOTBALL CLUB (RUFC) LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ROTHERHAM UNITED FOOTBALL CLUB (RUFC) LIMITED

Opinion

We have audited the financial statements of Rotherham United Football Club (RUFC) Limited (the 'company') for the year ended 30 June 2025 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2025 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

- We obtained an understanding of laws and regulations that affect the company, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the UK Companies Act, tax legislation and occupational health and employment legislation.

- We enquired of the directors for evidence of non compliance with relevant laws and regulations. We also reviewed controls the directors have in place to ensure compliance.

- We gained an understanding of the controls that the directors have in place, including those imposed by the football league, top prevent and detect fraud. We enquired of the directors about any instances of fraud that had taken place during the accounting period.

- The risk of fraud and non compliance with laws and regulations and fraud was discussed within the audit team and teste were planned and performed to address these risks. We identified the potential for fraud in the following areas - revenue recognition.

- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.

- We enquired of the directors about actual and potential litigation and claims.

- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.

- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias.

Due to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, as with any audit, there remained a higher risk of non detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing fraud or non compliance with laws and regulations and cannot be expected to detect all fraud and non compliance with laws and regulations.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Company registration number 06550400 (England and Wales)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2025

1 Accounting policies

Company information

Rotherham United Football Club (RUFC) Limited is a company limited by shares incorporated in the UK and registered in England and Wales. The registered office is New York Stadium, New York Way, Rotherham, South Yorkshire, S60 1AH. New York Stadium, New York Way, Rotherham, S60 1AH

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention

The principal accounting policies adopted are set out below.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 4 'Statement of Financial Position': Reconciliation of the opening and closing number of shares;
- Section 7 'Statement of Cash Flows': Presentation of a statement of cash flow and related notes and disclosures;
- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues': Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income;
- Section 26 'Share based Payment': Share-based payment expense charged to profit or loss, reconciliation of opening and closing number and weighted average exercise price of share options, how the fair value of options granted was measured, measurement and carrying amount of liabilities for cash-settled share-based payments, explanation of modifications to arrangements;
- Section 33 'Related Party Disclosures': Compensation for key management personnel.

The financial statements of the company are consolidated in the financial statements of ASD Lighting Holdings Limited. These consolidated financial statements are available from the parent company's registered office, Mangham Road, Barbot Hall Industrial Estate, Rotherham, S61 4RJ.

1.2 Going concern

The accounts have been prepared on a going concern basis. Although the company had significant net liabilities at 30 June 2025 the directors have prepared cash flow forecasts for the next 12 months which show that the company can continue to trade as a going concern but it must continue to rely upon the support of sponsors, in particular its fellow subsidiary company ASD Lighting PLC to enable it to do so.

1 Accounting policies **(Continued)**

1.3 Turnover

Turnover represents income receivable from football and related commercial activities, exclusive of VAT. Gate receipts and other match day revenue are recognised as the games are played. The club also receives central distributions from the Football League and a solidarity payment from the Premier League that are beyond the direct control of the officers of the club. These distributions are recognised evenly over the course of the financial year.

Revenue derived from season tickets is credited to income in the period to which it relates. Amounts received in advance are credited to deferred income in the balance sheet.

Sponsorship, advertising and similar commercial income is recognised over the duration of the respective contracts. Amounts received in advance are credited to deferred income in the balance sheet.

1.4 Intangible fixed assets - Player registrations

In line with FRS 102, the costs associated with the acquisition of players' registrations are capitalised as intangible fixed assets and amortised over the period of the respective player's contracts. Players' registrations are written down for impairment when the carrying amount exceeds the amount recoverable through use or sale.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Improvements to leasehold property	Over the period of the lease
Plant and equipment	20% on cost
Equipment, fixtures and fittings	20% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

1.6 Borrowing costs related to fixed assets

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.7 Stocks

Stocks, which comprise goods held for re-sale, are stated at the lower of cost and estimated net realisable value.

1.8 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

1 Accounting policies **(Continued)**

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more(or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.10 Leases

Rentals under operating leases are charged to the profit and loss account as they fall due.

1.11 Pension scheme

The pension costs charges in the financial statements represent the contribution payable by the company during the period.

1.12 Signing on fees

Signing on fees represent a normal part of the employment cost of the player and as such are to be charged to the profit and loss account in the accounting period in which payment is made. Potential instalments due in the future based on continued service are disclosed as a contingent liability.

1.13 Grants

There were no deferred grant releases during the year.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The key estimates and judgements made by the directors when preparing the financial statements relate to:

- The economic life of fixed assets (tangible and intangible)
- Provisions needed for potential bad debts

3 Turnover and other revenue

An analysis of the company's turnover is as follows:

	2025 £	2024 £
Turnover		
Match income & season tickets	3,795,811	2,878,941
Central distributions	2,521,286	9,219,950
Commercial income	2,966,034	3,231,561
Merchandising income	818,346	835,692
Media receipts	24,315	356,830
Transfer fees & sell on clauses	271,041	2,542,487
Other receipts	121,673	107,445
	10,518,506	19,172,906

Turnover analysed by geographical market

	2025 £	2024 £
